THE COMPANY

Omega Healthcare Investors, Inc. (the "Company") was incorporated in the State of Maryland on March 31, 1992. It is a self administered real estate investment trust which invests in income producing healthcare facilities,

principally long-term care facilities located primarily in the United States.

As of June 30, 1997, the Company's portfolio of investments in the United States consisted of 232 long-term care facilities and 3 medical office buildings. The Company owns and leases to healthcare operators 144 of such long-term care facilities with a total of approximately 13,250 beds and the 3 medical office buildings, and provides mortgages, including participating and convertible mortgages, on 88 of such long-term care facilities with a total of approximately 9,200 beds. The Company's facilities are located in 26 states and operated by 34 unaffiliated operators. The Company also has an interest in and provides management/advisory services to Principal Healthcare Finance Limited, a partially-owned affiliate which owns and leases to healthcare operators 116 nursing homes in the United Kingdom. The net carrying amount of the Company's investments at June 30, 1997 totaled \$711 million.

The Company's business objectives are to generate stable and increasing cash flow and provide the opportunity for increased dividends from annual increases in rental and interest revenue participation and from portfolio growth and to preserve and protect shareholders' capital, pay regular cash dividends and provide holders of common stock the opportunity to realize capital growth.

The Company intends to make and manage its investments (including the sale or disposition of property or other investments) in such a manner as to be consistent with the requirements of the Code (or regulations thereunder) to qualify as a real estate investment trust ("REIT"), unless, because of changes in circumstances or changes in the Code (or regulations thereunder), the Board of Directors determines that it is no longer in the best interests of the Company to qualify as a REIT.

The executive offices of the Company are located at 905 West Eisenhower Circle, Suite 110, Ann Arbor, Michigan 48103. Its telephone number is (313) 747-9790.

INVESTMENT STRATEGIES AND POLICIES

The Company maintains a diversified portfolio of income-producing healthcare facilities or mortgages thereon, with a primary focus on long-term care facilities located in the United States. In making investments, the Company generally seeks established, creditworthy, middle market healthcare operators which meet the Company's standards for quality and experience of management. Although the Company has emphasized long-term care investments, it intends to diversify prudently into other types of healthcare facilities or other properties. The Company actively seeks to diversify its investments in terms of geographic location, operators and facility types.

In evaluating potential investments, the Company considers such factors as: (i) the quality and experience of management and the creditworthiness of the operator of the facility; (ii) the adequacy of the facility's historical, current and forecasted cash flow to meet operational needs, capital expenditures and lease or debt service obligations; (iii) the construction quality, condition and design of the facility; (iv) the geographic area and type of facility; (v) the tax, growth, regulatory and reimbursement environment of the community in which the facility is located; (vi) the occupancy and demand for similar healthcare facilities in the same or nearby communities; and (vii) the payor mix of private, Medicare and Medicaid patients.

The Company plans to maintain its percentage of equity and equity-linked investments at approximately 70% of its portfolio and to increase the number of operators and geographic diversity of the facilities in its portfolio as well as to continue to expand its relationships with current operators.

The Company believes that a growing market exists for REITs focusing on the long-term care industry. According to data from the U.S. Census Bureau, in 1995 there were approximately 3.6 million Americans over the age of 85, comprising 1.4% of the total U.S. population. From 1960 to 1994, the population within this age group increased at more than five times the rate of the increase for the total population. The Company believes that the fundamentals of the long-term care and nursing home industry will continue to be strong and provide

good opportunity for additional investment in the foreseeable future. The long-term care industry provides sub-acute medical and custodial care to the senior population of the United States. The demand for long-term care comes principally from those individuals over 85 years of age. Due to demographic trends, regulation and government support, the company believes that the long-term care sector of the healthcare industry has been one of the less volatile segments of the industry.

The Company continually assesses and reassesses investments in other healthcare and senior medical services markets, including the assisted living market. Assisted living units are designed for seniors who need assistance with basic activities such as bathing, meal preparation and eating. While strong demographic demands support this segment, low barriers to entry and the unregulated nature of assisted living pose additional risks in this healthcare

segment. The Company believes that there may be selected opportunities to participate in this sector, but to date has not made significant investments in properties of this type.

Additionally, the Company believes that acute care hospitals presently represent a substantial portion of healthcare expenditures in the United States. While the Company has made limited investments in this segment, with a total of approximately \$30 million invested as of the date of this Prospectus, the Company anticipates that future investments will result from the need for capital and the evolving demand for healthcare properties operated by acute care delivery systems.

A fundamental investment strategy of the Company is to obtain contractual rent escalations under long-term, non-cancelable "triple net" leases and revenue participations through participating mortgage loans, and to obtain substantial security deposits. The Company may participate in mortgage loans through ownership of collateralized mortgage obligations or other securitization of mortgages.

The Company may determine to finance acquisitions through the exchange of properties or the issuance of shares of its capital stock to others, if such transactions otherwise satisfy the Company's investment criteria. The Company also has authority to repurchase or otherwise reacquire its Common Stock or any other securities and may determine to do so in the future.

To the extent that the Company's Board of Directors determines to obtain additional capital, the Company may raise such capital through additional equity offerings, debt financings or retention of cash flow (subject to provisions of the Internal Revenue Code of 1986, as amended concerning the taxability of undistributed income of "real estate investment trusts"), or a combination of these methods.

BORROWING POLICIES

The Company may incur additional indebtedness, and anticipates eventually attaining and then expects to generally maintain a long-term debt-to-capitalization ratio of approximately 40%. The Company intends to review periodically its policy with respect to its debt-to-capitalization ratio and to adapt such policy as its management deems prudent in light of prevailing market conditions. The Company's strategy generally has been to match the maturity of its indebtedness with the maturity of its assets, and to employ long term, fixed rate debt to the extent practicable.

The Company will use the proceeds of any additional indebtedness to provide permanent financing for investments in additional healthcare facilities. The Company may obtain either secured or unsecured indebtedness, which may be convertible into capital stock or accompanied by warrants to purchase capital stock. Where debt financing is present on terms deemed favorable, the Company may invest in properties subject to existing loans, secured by mortgages, deeds of trust or similar liens on the properties.

Fixed charges consist of interest expense, amortization of deferred financing costs and, starting with the period ended June 30, 1997, preferred stock dividends for the Series A Cumulative Preferred Stock.

Unless otherwise specified in the Prospectus Supplement which accompanies this Prospectus, the net proceeds from the sale of the Securities offered from time to time hereby will be used for the repayment of the Company's revolving line of credit, to fund additional investments and general corporate purposes.

All shares of Common Stock participate equally in dividends payable to stockholders of Common Stock when and as declared by the Board of Directors and in net assets available for distribution to stockholders of Common Stock on liquidation or dissolution, have one vote per share on all matters submitted to a vote of the stockholders and do not have cumulative voting rights in the election of directors. All issued and outstanding shares of Common Stock are, and the Common Stock offered hereby will be upon issuance, validly issued, fully paid and nonassessable. Holders of the Common Stock do not have preference, conversion, exchange or preemptive rights. The Common Stock is listed on the New York Stock Exchange (NYSE Symbol "OHI").

7

REDEMPTION AND BUSINESS COMBINATION PROVISIONS

If the Board of Directors shall, at any time and in good faith, be of the opinion that direct or indirect ownership of at least 9.9% or more of the voting shares of capital stock has or may become concentrated in the hands of one beneficial owner, the Board of Directors shall have the power (i) by lot or other means deemed equitable by it to call for the purchase from any stockholder of the Company a number of voting shares sufficient, in the opinion of the Board of Directors, to maintain or bring the direct or indirect ownership of voting shares of capital stock of such beneficial owner to a level of no more than 9.9% of the outstanding voting shares of the Company's capital stock, and (ii) to refuse to transfer or issue voting shares of capital stock to any person whose acquisition of such voting shares would, in the opinion of the Board of Directors, result in the direct or indirect ownership by that person of more than 9.9% of the outstanding voting shares of capital stock of the Company. Further, any transfer of shares, options, warrants, or other securities convertible into voting shares that would create a beneficial owner of more than 9.9% of the outstanding voting shares shall be deemed void ab initio and the intended transferee shall be deemed never to have had an interest therein. The purchase price for any voting shares of capital stock so redeemed shall be equal to the fair market value of the shares reflected in the closing sales prices for the shares, if then listed on a national securities exchange, or the average of the closing sales prices for the shares if then listed on more than one national securities exchange, or if the shares are not then listed on a national securities exchange, the latest bid quotation for the shares if then traded over-the-counter, on the last business day immediately preceding the day on which notices of such acquisitions are sent by the Company, or, if no such closing sales prices or quotations are available, then the purchase price shall be equal to the net asset value of such stock as determined by the Board of Directors in accordance with the provisions of applicable law. From and after the date fixed for purchase by the Board of Directors, the holder of any shares so called for purchase shall cease to be entitled to distributions, voting rights and other benefits with respect to such shares, except the right to payment of the purchase price for the shares.

The Articles of Incorporation require that, except in certain circumstances, Business Combinations (as defined) between the Company and a beneficial holder of 10% or more of the Company's outstanding voting stock (a "Related Person") be approved by the affirmative vote of at least 80% of the outstanding voting shares of the Company.

A Business Combination is defined in the Articles of Incorporation as (a) any merger or consolidation of the Company with or into a Related Person, (b) any sale, lease, exchange, transfer or other disposition, including without limitation a mortgage or any other security device, of all or any "Substantial Part" (as defined) of the assets of the Company (including without limitation any voting securities of a subsidiary) to a Related Person, (c) any merger or consolidation of a Related Person with or into the Company, (d) any sale, lease, exchange, transfer or other disposition of all or any Substantial Part of the assets of a Related Person to the Company, (e) the issuance of any securities (other than by way of pro rata distribution to all stockholders) of the Company to a Related Person, and (f) any agreement, contract or other arrangement providing for any of the transactions described in the definition of Business Combination. The term "Substantial Part" shall mean more than 10% of the book value of the total assets of the Company as of the end of its most recent fiscal year ending prior to the time the determination is being made.

Pursuant to the Articles of Incorporation, the Company's Board of Directors is classified into three classes. Each class of directors serves for a term of three years, with one class being elected each year. As of the date of this Prospectus, there are seven directors, two in each of two classes of directors, and three in one class.

The foregoing provisions of the Articles of Incorporation and certain other matters may not be amended without the affirmative vote of at least 80% of the outstanding voting shares of the Company.

The foregoing provisions may have the effect of discouraging unilateral tender offers or other takeover proposals which certain stockholders might deem in their interests or in which they might receive a substantial premium. The Board of Directors' authority to issue and establish the terms of currently authorized Preferred Stock, without stockholder approval, may also have the effect of discouraging takeover attempts. See "Preferred Stock." The provisions could also have the effect of insulating current management against the

8

possibility of removal and could, by possibly reducing temporary fluctuations in market price caused by accumulation of shares, deprive stockholders of opportunities to sell at a temporarily higher market price. However, the Board of Directors believes that inclusion of the Business Combination provisions in the Articles of Incorporation may help assure fair treatment of stockholders and preserve the assets of the Company.

The foregoing summary of certain provisions of the Articles of Incorporation does not purport to be complete or to give effect to provisions of statutory or common law. The foregoing summary is subject to, and qualified in its entirety by reference to, the provisions of applicable law and the Articles of Incorporation, a copy of which is incorporated by reference as an exhibit to the Registration Statement of which this Prospectus is a part.

GENERAL

The authorized capital stock of the Company consists of 50,000,000 shares of Common Stock, \$0.10 par value per share, and 10,000,000 shares of preferred stock, \$1.00 par value per share ("preferred stock of the Company," which term, as used herein, includes the Preferred Stock offered hereby).

Under the Articles of Incorporation, the Board of Directors of the Company is authorized without further stockholder action to provide for the issuance of up to an additional 7,700,000 shares of preferred stock of the Company, in one or more series, with such designations, preferences, powers and relative participating, optional or other special rights and qualifications, limitations or restrictions thereon, including, but not limited to, dividend rights,

dividend rate or rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), the redemption price or prices, and the liquidation preferences as shall be stated in the resolution providing for the issue of a series of such stock, adopted, at any time or from time to time, by the Board of Directors of the Company. The Company has outstanding 2,300,000 shares of its 9.25% Series A Cumulative Preferred Stock as of June 30, 1997.

The Preferred Stock shall have the dividend, liquidation, redemption and voting rights set forth below unless otherwise provided in a Prospectus Supplement relating to a particular series of the Preferred Stock. 9

The Preferred Stock will, when issued, be fully paid and nonassessable and will have no preemptive rights. Unless otherwise stated in a Prospectus Supplement relating to a particular series of the Preferred Stock, each series of the Preferred Stock will rank on a parity as to dividends and distributions of assets with each other series of the Preferred Stock. The rights of the holders of each series of the Preferred Stock will be subordinate to those of the Company's general creditors.

CERTAIN PROVISIONS OF THE ARTICLES OF INCORPORATION

See "Common Stock -- Redemption and Business Combination Provisions" for a description of certain provisions of the Articles of Incorporation, including provisions relating to redemption rights and provisions which may have certain anti-takeover effects.

DIVIDEND RIGHTS

Holders of the Preferred Stock of each series will be entitled to receive, when and if declared by the Board of Directors of the Company, out of funds of the Company legally available therefor, cash dividends on such dates and at such rates as will be set forth in, or as are determined by, the method described in the Prospectus Supplement relating to such series of the Preferred Stock. Such rate may be fixed or variable or both. Each such dividend will be payable to the holders of record as they appear on the stock books of the Company on such record dates, fixed by the Board of Directors of the Company, as specified in the Prospectus Supplement relating to such series of Preferred Stock.

Dividends on any series of Preferred Stock may be cumulative or noncumulative, as provided in the applicable Prospectus Supplement. If the Board of Directors of the Company fails to declare a dividend payable on a dividend payment date on any series of Preferred Stock for which dividends are noncumulative, then the holders of such series of Preferred Stock will have no right to receive a dividend in respect of the dividend period ending on such dividend payment date, and the Company shall have no obligation to pay the dividend accrued for such period, whether or not dividends on such series are declared payable on any future dividend payment dates. Dividends on the shares of each series of Preferred Stock for which dividends are cumulative will accrue from the date on which the Company initially issues shares of such series.

So long as the shares of any series of the Preferred Stock shall be outstanding, unless (i) full dividends (including if such Preferred Stock is cumulative, dividends for prior dividend periods) shall have been paid or declared and set apart for payment on all outstanding shares of the Preferred Stock of such series and all other classes and series of preferred stock of the Company (other than Junior Stock as defined below) and (ii) the Company is not in default or in arrears with respect to the mandatory or optional redemption or mandatory repurchase or other mandatory retirement of, or with respect to any sinking or other analogous fund for, any shares of Preferred Stock of such series or any shares of any other preferred stock of the Company of any class or series (other than Junior Stock), the Company may not declare any dividends on any shares of Common Stock of the Company or any other stock of the Company ranking as to dividends or distributions of assets junior to such series of Preferred Stock (the Common Stock and any such other stock being herein referred to as "Junior Stock"), or make any payment on account of, or set apart money for, the purchase, redemption or other retirement of, or for a sinking or other analogous fund for, any shares of Junior Stock or make any distribution in respect thereof, whether in cash or property or in obligations or stock of the Company, other than Junior Stock which is neither convertible into, nor exchangeable or exercisable for, any securities of the Company other than Junior Stock.

LIQUIDATION PREFERENCE

In the event of any liquidation, dissolution or winding up of the Company, voluntary or involuntary, the holders of each series of the Preferred Stock will be entitled to receive out of the assets of the Company available for distribution to stockholders, before any distribution of assets is made to the holders of Common Stock or any other shares of stock of the Company ranking junior as to such distribution to such series of Preferred Stock, the amount set forth in the Prospectus Supplement relating to such series of the Preferred Stock. If, upon any voluntary or involuntary liquidation, dissolution or winding up of the Company, the

10

amounts payable with respect to the Preferred Stock of any series and any other shares of preferred stock of the Company (including any other series of the Preferred Stock) ranking as to any such distribution on a parity with such series of the Preferred Stock are not paid in full, the holders of the Preferred Stock of such series and of such other shares of preferred stock of the Company will share ratably in any such distribution of assets of the Company in proportion to the full respective preferential amounts to which they are entitled. After payment to the holders of the Preferred Stock of each series of the full preferential amounts of the liquidating distribution to which they are entitled, the holders of each such series of the Preferred Stock will be entitled to no further participation in any distribution of assets by the Company.

If liquidating distributions shall have been made in full to all holders of shares of Preferred Stock, the remaining assets of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective number of shares. For such purposes, the consolidation or merger of the Company with or into any other corporation, or the sale, lease or conveyance of all or substantially all of the property or business of the Company, shall not be deemed to constitute a liquidation, dissolution or winding up of the Company.

REDEMPTION

A series of the Preferred Stock may be redeemable, in whole or from time to time in part, at the option of the Company, and may be subject to mandatory redemption pursuant to a sinking fund or otherwise, in each case upon terms, at the time and at the redemption prices set forth in the Prospectus Supplement relating to such series. Shares of the Preferred Stock redeemed by the Company will be restored to the status of authorized but unissued shares of preferred stock of the Company.

In the event that fewer than all of the outstanding shares of a series of the Preferred Stock are to be redeemed, whether by mandatory or optional redemption, the number of shares to be redeemed will be determined by lot or pro rata (subject to rounding to avoid fractional shares) as may be determined by the Company or by any other method as may be determined by the Company in its sole discretion to be equitable. From and after the redemption date (unless default shall be made by the Company in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends shall cease to accumulate on the shares of the Preferred Stock called for redemption and all rights of the holders thereof (except the right to receive the redemption price plus accumulated and unpaid dividends, if any) shall cease.

So long as any dividends on shares of any series of the Preferred Stock or any other series of preferred stock of the Company ranking on a parity as to dividends and distribution of assets with such series of the Preferred Stock are in arrears, no shares of any such series of the Preferred Stock or such other series of preferred stock of the Company will be redeemed (whether by mandatory or optional redemption) unless all such shares are simultaneously redeemed, and the Company will not purchase or otherwise acquire any such shares; provided, however, that the foregoing will not prevent the purchase or acquisition of such shares pursuant to a purchase or exchange offer made on the same terms to holders of all such shares outstanding.

CONVERSION RIGHTS

The terms and conditions, if any, upon which shares of any series of Preferred Stock are convertible into Common Stock will be set forth in the applicable Prospectus Supplement relating thereto. Such terms will include the number of shares of Common Stock into which the Preferred Stock is convertible, the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at the option of the holders of Preferred Stock or the Company, the events requiring an adjustment of the conversion price and provisions affecting conversion.

VOTING RIGHTS

Except as indicated below or in a Prospectus Supplement relating to a particular series of the Preferred Stock, or except as required by applicable law, the holders of the Preferred Stock will not be entitled to vote for any

purpose.

11

So long as any shares of the Preferred Stock of a series remain outstanding, the consent or the affirmative vote of the holders of at least 80% of the votes entitled to be cast with respect to the then outstanding shares of such series of the Preferred Stock together with any Parity Preferred (as defined below), voting as one class, either expressed in writing or at a meeting called for that purpose, will be necessary (i) to permit, effect or validate the authorization, or any increase in the authorized amount, of any class or series of shares of the Company ranking prior to the Preferred Stock of such series as to dividends, voting or distribution of assets and (ii) to repeal, amend or otherwise change any of the provisions applicable to the Preferred Stock of such series in any manner which adversely affects the powers, preferences, voting power or other rights or privileges of such series of the Preferred Stock. In case any series of the Preferred Stock would be so affected by any such action referred to in clause (ii) above in a different manner than one or more series of the Other Preferred Stock then outstanding, the holders of shares of the Preferred Stock of such series, together with any series of the Other Preferred Stock which will be similarly affected, will be entitled to vote as a class, and the Company will not take such action without the consent or affirmative vote, as above provided, of at least 80% of the total number of votes entitled to be cast with respect to each such series of the Preferred Stock and the Other Preferred Stock, then outstanding, in lieu of the consent or affirmative vote hereinabove otherwise required.

With respect to any matter as to which the Preferred Stock of any series is entitled to vote, holders of the Preferred Stock of such series and any other series of preferred stock of the Company ranking on a parity with such series of the Preferred Stock as to dividends and distributions of assets and which by its terms provides for similar voting rights (the "Parity Preferred") will be entitled to cast the number of votes set forth in the Prospectus Supplement with respect to that series of Preferred Stock. As a result of the provisions described in the preceding paragraph requiring the holders of shares of a series of the Preferred Stock to vote together as a class with the holders of shares of one or more series of Parity Preferred, it is possible that the holders of such shares of Parity Preferred could approve action that would adversely affect such series of Preferred Stock, including the creation of a class of capital stock ranking prior to such series of Preferred Stock as to dividends, voting or distributions of assets.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of the Preferred Stock shall have been redeemed or called for redemption and sufficient funds shall have been deposited in trust to effect such redemption.

TRANSFER AGENT AND REGISTRAR

Unless otherwise indicated in a Prospectus Supplement relating thereto, First Chicago Trust Company of New York, will be the transfer agent, dividend and redemption price disbursement agent and registrar for shares of each series of the Preferred Stock.

DEBT SECURITIES

Debt Securities may be issued from time to time in series under an Indenture (the "Indenture") dated August 27, 1997 between the Company and NBD Bank, as Trustee (the "Trustee"). As used under this caption, unless the context otherwise requires, Offered Debt Securities shall mean the Debt Securities offered by this Prospectus and the accompanying Prospectus Supplement. The statements under this caption are brief summaries of certain provisions contained in the Indenture, do not purport to be complete and are qualified in their entirety by reference to the Indenture, including the definition therein of certain terms, a copy of which is filed as an exhibit to the Registration Statement of which this Prospectus is a part. The following sets forth certain general terms and provisions of the Debt Securities. Further terms of the Offered Debt Securities will be set forth in the Prospectus Supplement.

GENERAL

The Indenture provides for the issuance of Debt Securities in series, and does not limit the principal amount of Debt Securities which may be issued thereunder.

12

Reference is made to the Prospectus Supplement for the following terms of the Offered Debt Securities: (i) the specific title of the Offered Debt Securities; (ii) the aggregate principal amount of the Offered Debt Securities; (iii) the percentage of the principal amount at which the Offered Debt Securities will be issued; (iv) the date on which the Offered Debt Securities will mature; (v) the rate or rates per annum or the method for determining such rate or rates, if any, at which the Offered Debt Securities will bear interest;

(vi) the times at which any such interest will be payable; (vii) any provisions relating to optional or mandatory redemption of the Offered Debt Securities at the option of the Company or pursuant to sinking fund or analogous provisions; (viii) the denominations in which the Offered Debt Securities are authorized to be issued if other than \$100,000; (ix) any provisions relating to the conversion or exchange of the Offered Debt Securities into Common Stock or into Debt Securities of another series; (x) the portion of the principal amount, if less than the principal amount, payable on acceleration; (xi) the place or places at which the Company will make payments of principal (and premiums, if any) and interest, if any, and the method of payment; (xii) whether the Offered Debt Securities will be issued in whole or in part in global form; (xiii) any additional covenants and Events of Default and the remedies with respect thereto not currently set forth in the Indenture; (xiv) the identity of the Trustee for the Debt Securities, and if not the Trustee, the identity of each paying agent and the Debt Securities Registrar; (xv) the currency or currencies other than United States Dollars in which any series of Debt Securities will be issued; and (xvi) any other specific terms of the Offered Debt Securities.

One or more series of the Debt Securities may be issued as discounted Debt Securities (bearing no interest or bearing interest at a rate which at the time of issuance is below market rates) to be sold at a substantial discount below their stated principal amount. Tax and other special considerations applicable to any such discounted Debt Securities will be described in the Prospectus Supplement relating thereto.

STATUS OF DEBT SECURITIES

The Debt Securities will be unsecured obligations of the Company and may be ranking on a parity with all other unsecured and unsubordinated indebtedness, or may be subordinated to certain other indebtedness of the Company.

CONVERSION RIGHTS

The terms, if any, on which Debt Securities of a series may be exchanged for or converted into shares of Common Stock or Debt Securities of another series will be set forth in the Prospectus Supplement relating thereto. To protect the Company's status as a REIT, a beneficial Holder may not convert any Debt Security, and such Debt Security shall not be convertible by any Holder, if as a result of such conversion any person would then be deemed to beneficially own, directly or indirectly, 9.9% or more of the Company's shares of Common Stock.

ABSENCE OF RESTRICTIVE COVENANTS

Except as noted below under "Dividends, Distributions and Acquisitions of Capital Stock," the Company is not restricted by the Indenture from paying dividends or from incurring, assuming or becoming liable for any type of debt or other obligations or from creating liens on its property for any purpose. The Indenture does not require the maintenance of any financial ratios or specified levels of net worth or liquidity. Except as may be set forth in the Prospectus Supplement, there are no provisions of the Indenture which afford holders of the Debt Securities protection in the event of a highly leveraged transaction involving the Company.

OPTIONAL REDEMPTION

The Debt Securities will be subject to redemption, in whole or from time to time in part, at any time for certain reasons intended to protect the Company's status as a REIT, at the option of the Company in the manner specified in the Indenture at a redemption price equal to 100% of the principal amount, premium, if any, plus interest accrued to the date of redemption. The Indenture does not contain any provision requiring

13

the Company to repurchase the Debt Securities at the option of the Holders thereof in the event of a leveraged buyout, recapitalization or similar restructuring of the Company.

DIVIDENDS, DISTRIBUTIONS AND ACQUISITIONS OF CAPITAL STOCK

The Indenture provides that the Company will not (i) declare or pay any dividend or make any distribution on its capital stock or to holders of its capital stock (other than dividends or distributions payable in its capital stock or other than as the Company determines is necessary to maintain its status as a REIT) or (ii) purchase, redeem or otherwise acquire or retire for value any of its capital stock, or any warrants, rights or options or other securities to purchase or acquire any Shares of its capital stock (other than the Debt Securities) or permit any subsidiary to do so, if at the time of such action an Event of Default (as defined in the Indenture) has occurred and is continuing or would exist immediately after giving effect to such action.

EVENTS OF DEFAULT

An Event of Default with respect to Debt Securities of any series is

defined in the Indenture as being (a) failure to pay principal of or any premium on any Debt Security of that series when due; (b) failure to pay any interest on any Debt Security of that series when due, continued for 30 days; (c) failure to deposit any sinking fund payment when due, in respect of any Debt Security of that series; (d) failure to perform any other covenant of the Company in the Indenture (other than a covenant included in the Indenture solely for the benefit of one or more series of Debt Securities other than that series), continued for 60 days after written notice as provided in the Indenture; (e) certain events of bankruptcy, insolvency, conservatorship, receivership or reorganization; and (f) any other Event of Default provided with respect to the Debt Securities of that series.

If an Event of Default with respect to the outstanding Debt Securities of any series occurs and is continuing, either the Trustee or the Holders of at least 25% in aggregate principal amount of the outstanding Debt Securities of that series may declare the principal amount (or, if the Debt Securities of that series are original issue discount Debt Securities, such portion of the principal amount as may be specified in the terms of that series) of all the outstanding Debt Securities of that series to be due and payable immediately. At any time after the declaration of acceleration with respect to the Debt Securities of any series has been made, but before a judgment or decree based on acceleration has been obtained, the Holders of a majority in aggregate principal amount of the outstanding Debt Securities of that series may, under certain circumstances, rescind and annul such acceleration.

The Indenture provides that, subject to the duty of the Trustee during default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee reasonable indemnity. Subject to such provisions for the indemnification of the Trustee and subject to certain limitations, the Holders of a majority in aggregate principal amount of the outstanding Debt Securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of that series.

The Company is required to furnish to the Trustee annually a statement as to the performance by the Company of certain of its obligations under the Indenture and as to any default in such performance.

MODIFICATIONS AND WAIVER

Modifications and amendments of the Indenture may be made by the Company and the Trustee without the consent of any Holders to, among other things, (a) evidence the succession of another corporation to the Company, (b) add to the covenants of the Company or surrender any right or power conferred upon the Company, (c) establish the form or terms of Debt Securities, including any subordination provisions, (d) cure any ambiguity, correct or supplement any provision which may be defective or inconsistent or make any other provisions with respect to matters or questions arising under the Indenture, provided that such action does not adversely affect the interests of the Holders of Debt Securities of any series in any material respect, (e) add to,

14

delete, or revise conditions, limitations and restrictions on the authorized amounts, terms or purpose of Debt Securities, as set forth in the Indenture, or (f) evidence and provide for a successor Trustee.

Modifications and amendments of the Indenture may be made by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the outstanding Debt Securities of each series affected by such modification or amendment; provided, however, that no such modification or amendment may, without the consent of the Holder of each outstanding Debt Security affected thereby, (a) change the stated maturity date of the principal of, or any installment of principal of or interest, if any, on any Debt Security, (b) reduce the principal amount of, or premium or interest if any, on any Debt Security, (c) reduce the amount of principal of an original issue discount Debt Security payable upon acceleration of the maturity thereof, (d) change the currency of payment of the principal of, or premium or interest, if any, on any Debt Security, (e) impair the right to institute suit for the enforcement of any payment on or with respect to any Debt Security, (f) modify the conversion provisions, if any, of any Debt Security in a manner adverse to the Holder of that Debt Security, or (g) reduce the percentage in principal amount of the outstanding Debt Security of any series, the consent of whose Holders is required for modification or amendment of that Indenture or for waiver of compliance with certain provisions of that Indenture or for waiver of certain defaults.

The Holders of a majority in aggregate principal amount of the outstanding Debt Security of each series may, on behalf of all Holders of the Debt Securities of that series, waive, insofar as that series is concerned, compliance by the Company with certain restrictive provisions of the Indenture. The Holders of a majority in aggregate principal amount of the outstanding Debt

Securities of each series may, on behalf of all Holders of the Debt Securities of that series, waive any past default under the Indenture with respect to the Debt Securities of that series, except a default in the payment of principal or premium or interest, if any, or a default in respect of a covenant or provision which under the terms of the Indenture cannot be modified or amended without the consent of the Holder of each outstanding Debt Security of the series affected.

CONSOLIDATION, MERGER AND SALE OF ASSETS

The Indenture provides that the Company, without the consent of the Holders of any of the Debt Securities, may consolidate or merge with or into or transfer its assets substantially as an entirety to, any entity organized under the laws of the United States or any state, provided that the successor entity assumes the Company's obligations under the Indenture, that after giving effect to the transaction no Event of Default, and no event which, after notice or lapse of time, would become an Event of Default, shall have occurred and be continuing, and that certain other conditions are met.

GLOBAL SECURITIES

The Debt Securities of a series may be issued in whole or in part in global form (the "Global Securities"). Except as set forth in a Prospectus Supplement, the terms and provisions with respect to any Global Securities will be as set forth in this Section captioned "Global Securities." The Global Securities will be deposited with a depository (the "Depository"), or with a nominee for a Depository, identified in the Prospectus Supplement. In such case, one or more Global Securities will be issued in a denomination or aggregate denominations equal to the portion of the aggregate principal amount of outstanding Debt Securities of the series to be represented by such Global Security or Securities. Unless and until it is exchanged in whole or in part for Debt Securities in definitive form, a Global Security may not be transferred except as a whole by the Depository for such Global Security to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor of such Depository or a nominee of such successor.

The specific material terms of the depository arrangement with respect to any portion of a series of Debt Securities to be represented by a Global Security will be described in the Prospectus Supplement. The Company anticipates that the following provisions will apply to all depository arrangements.

Upon the issuance of a Global Security, the Depository for such Global Security will credit, on its book-entry registration and transfer system, the respective principal amounts of the Debt Securities represented by

15

such Global Security to the accounts of persons that have accounts with such Depository ("participants"). The accounts to be credited shall be designated by any underwriters or agents participating in the distribution of such Debt Securities. Ownership of beneficial interests in a Global Security will be limited to participants or persons that may hold interests through participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the Depository for such Global Security (with respect to interests of participants) or by participants or persons that hold through participants (with respect to interests of persons other than participant). So long as the Depository for a Global Security, or its nominee, is the registered owner of such Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Debt Securities represented by such Global Security for all purposes under the Indenture; provided, however, that the purposes of obtaining any consents or directions required to be given by the Holders of the Debt Securities, the Company, the Trustee and its agents will treat a person as the holder of such principal amount of Debt Securities as specified in a written statement of the Depository. Except as set forth herein or otherwise provided in the Prospectus Supplement, owners of beneficial interests in a Global Security will not be entitled to have the Debt Securities represented by such Global Security registered in their names, will not receive physical delivery of such Debt Securities in definitive form and will not be considered the registered owners or Holders thereof under the Indenture, but the beneficial owners and Holders only.

Principal, premium, if any, and interest payments on Debt Securities represented by a Global Security registered in the name of a Depository or its nominee will be made to such Depository or its nominee, as the case may be, as the registered owner of such Global Security. None of the Company, the Trustee or any Paying Agent for such Debt Securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in such Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Company expects that the Depository for any Debt Securities represented by a Global Security, upon receipt of any payment of principal, premium, if any, or interest will immediately credit participants' accounts with payments in

amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of such Depository. The Company also expects that payments by participants will be governed by standing instructions and customary practices, as is now the case with the securities held for the accounts of customers registered in "street names" and will be the responsibility of such participants.

If the Depository for any Debt Securities represented by a Global Security is at any time unwilling or unable to continue as Depository and a successor Depository is not appointed by the Company within 90 days, the Company will issue such Debt Securities in definitive form in exchange for such Global Security. In addition, the Company may at any time and in its sole discretion determine not to have any of the Debt Securities of a series represented by one or more Global Securities and, in such event, will issue Debt Securities of such series in definitive form in exchange for all of the Global Security or Securities representing such Debt Securities.

The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such laws may impair the ability to transfer beneficial interests in Debt Securities represented by Global Securities.

SECURITIES WARRANTS

The Company may issue Securities Warrants for the purchase of Common Stock, Preferred Stock or Debt Securities. Securities Warrants may be issued independently or together with Common Stock, Preferred Stock or Debt Securities offered by any Prospectus Supplement and may be attached to or separate from such Common Stock, Preferred Stock, or Debt Securities. Each series of Securities Warrants will be issued under a separate warrant agreement (a "Securities Warrant Agreement") to be entered into between the Company and a bank or trust company, as Securities Warrant agent, all as set forth in the Prospectus Supplement relating to the particular issue of offered Securities Warrants. The Securities Warrant agent will act solely as an agent of the Company in connection with the Securities Warrants of such series and will not assume any

16

obligation or relationship of agency or trust for or with any holders or beneficial owners of Securities Warrants. The following summaries of certain provisions of the Securities Warrant Agreement and Securities Warrants do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all the provisions of the Securities Warrant Agreement and the Securities Warrants relating to each series of Securities Warrants which will be filed with the Commission and incorporated by reference as an exhibit to the Registration Statement of which this Prospectus is a part at or prior to the time of the issuance of such series of Securities Warrants.

In the case of Securities Warrants for the purchase of Common Stock or Preferred Stock, the applicable Prospectus Supplement will describe the terms of such Securities Warrants, including the following where applicable: (i) the offering price; (ii) the aggregate number of shares purchasable upon exercise of such Securities Warrants, the exercise price, and in the case of Securities Warrants for Preferred Stock the designation, aggregate number and terms of the series of Preferred Stock purchasable upon exercise of such Securities Warrants; (iii) the designation and terms of any series of Preferred Stock with which such Securities Warrants are being offered and the number of such Securities Warrants being offered with such Preferred Stock; (iv) the date, if any, on and after which such Securities Warrants and the related series of Preferred Stock or Common Stock will be transferable separately; (v) the date on which the right to exercise such Securities Warrants shall commence and the Expiration Date; (vi) any special United States Federal income tax consequences; and (vii) any other terms of such Securities Warrants.

If Securities Warrants for the purchase of Debt Securities are offered, the applicable Prospectus Supplement will describe the terms of such Securities Warrants, including the following where applicable: (i) the offering price; (ii) the denominations and terms of the series of Debt Securities purchasable upon exercise of such Securities Warrants; (iii) the designation and terms of any series of Debt Securities, with which such Securities Warrants are being offered with each such Debt Securities; (iv) the date, if any, on and after which such Securities Warrants and the related series of Debt Securities will be transferable separately; (v) the principal amount of the series of Debt Securities purchasable upon exercise of each such Securities Warrant and the price at which such principal amount of Debt Securities of such series may be purchased upon such exercise; (vi) the date on which the right shall expire (the "Expiration Date"); (vii) whether the Securities Warrants will be issued in registered or bearer form; (viii) any special United States Federal income tax consequences; (ix) the terms, if any, on which the Company may accelerate the date by which the Securities Warrants must be exercised; and (x) any other terms of such Securities Warrants.

Securities Warrant certificates may be exchanged for new Securities Warrant certificates of different denominations, may (if in registered form) be

presented for registration of transfer, and may be exercised at the corporate trust office of the Securities Warrant agent or any other office indicated in the applicable Prospectus Supplement. Prior to the exercise of any Securities Warrant to purchase Debt Securities, holders of such Securities Warrants will not have any of the rights of holders of the Debt Securities purchasable upon such exercise, including the right to receive payments of principal or premium, if any, or interest, if any, on such Debt Securities or to enforce covenants in the applicable indenture. Prior to the exercise of any Securities Warrants to purchase Common Stock or Preferred Stock, holders of such Securities Warrants will not have any rights of holders of such Common Stock or Preferred Stock, including the right to receive payments of dividends, if any, on such Common Stock or Preferred Stock, or to exercise any applicable right to vote.

EXERCISE OF SECURITIES WARRANTS

Each Securities Warrant will entitle the holder thereof to purchase a number of shares of Common Stock, Preferred Stock or such principal amount of Debt Securities, as the case may be, at such exercise price as shall in each case be set forth in, or calculable from, the Prospectus Supplement relating to the offered Securities Warrants. After the close of business on the Expiration Date (or such later date to which such Expiration Date may be extended by the Company), unexercised Securities Warrants will become void.

Securities Warrants may be exercised by delivering to the Securities Warrant agent payment as provided in the applicable Prospectus Supplement of the amount required to purchase the Common Stock, Preferred Stock or Debt Securities, as the case may be, purchasable upon such exercise together with certain

17

information set forth on the reverse side of the Securities Warrant certificate. Securities Warrants will be deemed to have been exercised upon receipt of payment of the exercise price, subject to the receipt within five (5) business days, of the Securities Warrant certificate evidencing such Securities Warrants. Upon receipt of such payment and the Securities Warrant certificate properly completed and duly executed at the corporate trust office of the Securities Warrant agent or any other office indicated in the applicable Prospectus Supplement, the Company will, as soon as practicable, issue and deliver the Common Stock, Preferred Stock or Debt Securities, as the case may be, purchasable upon such exercise. If fewer than all of the Securities Warrants represented by such Securities Warrant certificate are exercised, a new Securities Warrant certificate will be issued for the remaining amount of Securities Warrants.

AMENDMENTS AND SUPPLEMENTS TO SECURITIES WARRANT AGREEMENT

The Securities Warrant Agreements may be amended or supplemented without the consent of the holders of the Securities Warrants issued thereunder to effect changes that are not inconsistent with the provisions of the Securities Warrants and that do not adversely affect the interests of the holders of the Securities Warrants.

COMMON STOCK WARRANT ADJUSTMENTS

Unless otherwise indicated in the applicable Prospectus Supplement, the exercise price of, and the number of shares of Common Stock covered by a Common Stock Warrant are subject to adjustment in certain events, including (i) payment of a dividend on the Common Stock payable in capital stock and stock splits, combinations or reclassifications of the Common Stock, (ii) issuance to all holders of Common Stock of rights or warrants to subscribe for or purchase shares of Common Stock at less than their current market price (as defined in the Securities Warrant Agreement for such series of Common Stock Warrants), and (iii) certain distributions of evidences of indebtedness or assets (including cash dividends or distributions paid out of consolidated earnings or retained earnings or dividends payable in Common Stock) or of subscription rights and warrants (excluding those referred to above).

No adjustment in the exercise price of, and the number of shares of Common Stock covered by a Common Stock Warrant will be made for regular quarterly or other periods of recurring cash dividends or distributions or for cash dividends or distributions to the extent paid from consolidated earnings or retained earnings. No adjustment will be required unless such adjustment would require a change of at least 1% in the exercise price then in effect. Except as stated above, the exercise price of, and the number of shares of Common Stock covered by, a Common Stock Warrant will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock, or carrying the right or option to purchase or otherwise acquire the foregoing in exchange for cash, other property or services.

In the event of any (i) consolidation or merger of the Company with or into any entity (other than a consolidation or a merger that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock), (ii) sale, transfer, lease or conveyance of all or substantially all of the assets of the Company or (iii) reclassification, capital

reorganization or change of the Common Stock (other than solely a change in par value or from par value to no par value), then any holder of a Common Stock Warrant will be entitled, on or after the occurrence of any such event, to receive on exercise of such Common Stock Warrant the kind and amount of shares of stock or other securities, cash or other property (or any combination thereof) that the holder would have received had such holder exercised such holder's Common Stock Warrant immediately prior to the occurrence of such event. If the consideration to be received upon exercise of the Common Stock Warrant following any such event consists of common stock of the surviving entity, then from and after the occurrence of such event, the exercise price of such Common Stock Warrant will be subject to the same anti-dilution and other adjustments described in the second preceding paragraph, applied as if such common stock were Common Stock.

PLAN OF DISTRIBUTION

The Company may sell the Securities to one or more underwriters for public offering and sale by them or may sell the Securities to investors directly or through agents. Any such underwriter or agent involved in the offer and sale of Securities will be named in the applicable Prospectus Supplement. The Company has reserved the right to sell Securities directly to investors on its own behalf in those jurisdictions where and in such manner as it is authorized to do so.

Underwriters may offer and sell Securities at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The Company also may, from time to time, authorize underwriters or dealers, acting as the Company's agents, to offer and sell Securities upon the terms and conditions as are set forth in the applicable Prospectus Supplement. In connection with the sale of Securities, underwriters may be deemed to have received compensation from the Company in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the Securities for whom they may act as agent. Underwriters may sell Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent.

Any underwriting compensation paid by the Company to underwriters or agents in connection with the offering of Securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be set forth in the applicable Prospectus Supplement. Dealers and agents participating in the distribution of Securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the Securities may be deemed to be underwriting discounts and commissions. Underwriters, dealers and agents may be entitled, under agreements entered into with the Company, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act.

The net proceeds to the Company from the sale of the Securities will be the purchase price of the Securities less any such discounts or commissions and the other attributable expenses of issuance and distribution.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Articles of Incorporation and Bylaws of the Registrant provide for indemnification of directors and officers to the full extent permitted by Maryland law.

Section 2-418 of the General Corporation Law of the State of Maryland generally permits indemnification of any director or officer with respect to any proceedings unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was either committed in bad faith or the result of active or deliberate dishonesty; (b) the director or officer actually received an improper personal benefit in money, property or services, or; (c) in the case of criminal proceedings, the director or officer had reasonable cause to believe that the act or omission was unlawful. The indemnity may include judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director or officer in connection with the proceedings; provided, however, that if the proceeding is one by, or in the right of, the corporation, indemnity is permitted only for reasonable expenses and not with respect to any proceeding in which the director shall have been adjudged to be liable to the corporation. The termination of any proceeding by judgment, order or settlement does not create a presumption that the director did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by conviction, or plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the director or officer did not meet that standard of conduct.

The Company has entered into indemnity agreements with the officers and directors of the Company that provide that the Company will, subject to certain conditions, pay on behalf of the indemnified party any amount which the indemnified party is or becomes legally obligated to pay because of any act or omission or neglect or breach of duty, including any actual or alleged error or misstatement or misleading statement, which the indemnified party commits or suffers while acting in the capacity as an officer or director of the Company.

Insofar as indemnification for liabilities arising under the Securities Act is permitted to directors and officers of the Registrant pursuant to the above-described provisions, the Registrant understands that the Commission is of the opinion that such indemnification contravenes federal public policy as expressed in said act and therefore is unenforceable.

ITEM 17. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the Registration Statement.

(2) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II-2

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(e) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(f) The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act (the "TIA") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the TIA.

The Debt Securities of each series may be issued as Registered Debt Securities, Global Securities, or in any combination thereof, and in such denominations and amounts, all as from time to time set forth in an Officers' Certificate or Supplemental Indenture referred to in Section 301.

SECTION 303. EXECUTION, AUTHENTICATION, DELIVERY AND DATING.

The Debt Securities shall be executed on behalf of the Company by its Chairman of the Board, one of its Vice Chairmen, its President or one of its Vice Presidents (whether or not designated by a number or a word or words added before or after any such title) under its corporate seal reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. The signature of any or all of these officers on the Debt Securities may be manual or facsimile.

Debt Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the authentication and delivery of such Debt Securities or did not hold such offices at the dates of such Debt Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Debt Securities of any series executed by the Company, to the Trustee for authentication, together with the Officers' Certificate or Supplemental Indenture with respect to such Debt Securities referred to in Section 301 and a Company Order for the authentication and delivery of such Debt Securities, and the Trustee, in accordance with the Company Order, but subject to the provisions hereof, shall authenticate and deliver such Debt Securities. Such Company Order may provide that Debt Securities which are the subject thereof will be authenticated and delivered by the Trustee upon the order of Persons designated in said Company Order communicated to the Trustee in writing and that such Persons are authorized to determine such terms and conditions of said Debt Securities as are specified in the Company Order. In authenticating such Debt Securities, and accepting the additional responsibilities under this Indenture in relation to such Debt Securities, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating:

(a) that the form and terms of such Debt Securities have been established in conformity with the provisions of this Indenture; and

(b) that all conditions precedent to the authentication and delivery of such Debt Securities have been complied with and that such Debt Securities, when completed by appropriate insertions, authenticated and delivered by the Trustee, issued by the Company and sold in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium, conservatorship, receivership and other laws or, equitable principles relating to or affecting creditors rights generally and by general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law.

The Opinion of Counsel may also advise that the enforceability of the Debt Securities and the Indenture is subject to the effect of general principles of equity including, without limitation, concepts of materiality,

13

reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law.

If all the Debt Securities of any series are not to be issued at one time, it shall not be necessary to deliver an Opinion of Counsel at the time of issuance of each Debt Security of that series, but such opinion, with appropriate modifications, shall be delivered at or before the time of issuance of the first Debt Security of such series.

The Trustee shall not be required to authenticate such Debt Securities if the issue of such Debt Security, pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Debt Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee or if the Trustee being advised by counsel determines that such action may not lawfully be taken.

Each Debt Security shall be dated the date of its authentication.

No Debt Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Debt Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized signatories or authorized Authenticating Agents, and such certificate upon any Debt Security shall be conclusive evidence, and the only evidence, that such Debt Security has been duly authenticated and delivered hereunder.

SECTION 304. TEMPORARY DEBT SECURITIES.

Pending the preparation or distribution of definitive Debt Securities of any series, the Company may execute and deliver to the Trustee, and upon Company Order the Trustee shall authenticate and deliver in the manner provided in Section 303, a temporary Debt Security or temporary Debt Securities of that series which are printed, lithographed, typewritten, reproduced or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Debt Securities in lieu of which they are issued or in such form as may be prescribed in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to such Debt Securities, and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Debt Securities may determine, as evidenced by the their execution of such Debt Securities.

Except in the case of temporary Global Debt Securities, which shall be exchanged in accordance with the provisions thereof, if temporary Debt Securities are issued, the Company shall cause definitive Debt Securities to be prepared without unreasonable delay. After the preparation of definitive Debt Securities, the temporary Debt Security or temporary Debt Securities of that series shall be exchanged for definitive Debt Securities of that series containing identical terms and provisions upon surrender of the temporary Debt Securities of that series, at an office or agency of the Company maintained for such purpose pursuant to Section 1002, without charge to the Holder, or in such other manner as set forth in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to such Debt Securities. Upon surrender for cancellation of any one or more temporary Debt Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Debt Securities of authorized denominations of the same series containing identical terms and provisions. Except as set forth in the Officers' Certificate or

Supplemental Indenture referred to in Section 301 with respect to such Debt Securities, until so exchanged, the temporary Debt Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Debt Securities of that series authorized and delivered hereunder.

SECTION 305. REGISTRATION, REGISTRATION OF TRANSFER AND EXCHANGE.

The Company shall cause to be kept at the office of the Debt Securities Registrar designated pursuant to this Section 305 or Section 1002 a register (herein sometimes referred to as the "Debt Securities Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration

14

of each series of Debt Securities and of transfers of each series of Debt Securities. The Trustee is hereby initially appointed "Debt Securities Registrar" for the purpose of registering Debt Securities and transfers of Debt Securities as herein provided.

Except as set forth in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to any Debt Securities of a series, upon surrender for registration of transfer of any Debt Security of any series at any office or agency of the Company maintained for such purpose pursuant to Section 1002, the Company shall execute, and the Trustee shall authenticate and deliver in the name of the designated transferee or transferees, one or more new Debt Securities of authorized denominations of the same series containing identical terms and provisions, of a like aggregate principal amount.

Except as set forth in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to any Debt Securities of a series, at the option of the Holder, Debt Securities of any series may be exchanged for other Debt Securities of authorized denominations of the same series containing identical terms and provisions, of like aggregate principal amount, upon surrender of the Debt Securities to be exchanged at such office or agency. Whenever any Debt Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Debt Securities which the Holder making the exchange is entitled to receive.

All Debt Securities issued upon any registration of transfer or exchange of Debt Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Debt Securities surrendered upon such registration of transfer or exchange.

Every Debt Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Debt Securities Registrar for that series of Debt Security presented) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Debt Securities Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Debt Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Debt Securities, other than exchanges pursuant to Section 304, 905 or 1107 not involving any transfer.

In the event of redemption in part, the Company shall not be required, (i) to register the transfer of or exchange Registered Debt Securities for a period of 15 days immediately preceding the date notice is given identifying the serial numbers of the Debt Securities called for such redemption or (ii) to register the transfer of or exchange any Registered Debt Securities, or portion thereof, called for redemption except, in the case of any Registered Debt Securities to be redeemed in part, the unredeemed portion of such Registered Debt Securities being redeemed in part.

If at any time the Depositary for the Debt Securities of a series issued in the form of one or more Global Debt Securities notifies the Company that it is unwilling or unable to continue as Depositary for the Debt Securities of such series or if at any time the Depositary for the Debt Securities of such series shall no longer be eligible under Section 301, the Company shall appoint a successor Depositary with respect to the Debt Securities of such series. If a successor Depositary for the Debt Securities of such series is not appointed by the Company within ninety (90) days after the Company receives such notice or becomes aware of such ineligibility, the Company's election to issue Global Debt Securities pursuant to Section 301 shall no longer be effective with respect to the Debt Securities of such series and the Company will execute, and the Trustee, upon receipt of a Company Order

for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver, Debt Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Debt Security or Debt Securities representing such series in exchange for such Global Debt Security or Debt Securities.

15

The Company may at any time and in its sole discretion determine that the Debt Securities of any series issued in the form of one or more Global Debt Securities shall no longer be represented by such Global Debt Security or Debt Securities. In such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Debt Securities of such series, will authenticate and deliver Debt Securities of such series in definitive form, in authorized denominations, and in an aggregate principal amount equal to the principal amount of the Global Debt Security or Debt Securities representing such series in exchange for such Global Debt Security or Debt Securities.

Unless and until a Global Debt Security is exchanged in whole or in part for Debt Securities in definitive form in accordance with the provisions of this Indenture, a Global Debt Security may not be transferred except as a whole by the Depositary with respect to such Global Debt Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor. Unless otherwise provided as contemplated by Section 301 with respect to any series of Debt Securities evidenced in whole or in part by a Global Debt Security, the Depositary may not sell, assign, transfer or otherwise convey any beneficial interest in a Global Debt Security evidencing all or part of the Debt Securities of such series unless such beneficial interest is in an amount equal to an authorized denomination for Debt Securities of such series.

Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 301, any Global Debt Security shall be exchangeable only as provided in this paragraph. If the beneficial owners of interests in a Global Debt Security are entitled to exchange such interests for Debt Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 301, then without unnecessary delay but in any event not later than one Business Day prior to the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee definitive Debt Securities of such series in aggregate principal amount equal to the principal amount of such Global Debt Securities, executed by the Company. On or after the earliest date on which such interests may be so exchanged, such Global Debt Securities shall be surrendered by the Depositary as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, to be exchanged, in whole or from time to time in part, for definitive Debt Securities of such series without charge and the Trustee shall authenticate and deliver, in exchange for each portion of such Global Debt Securities, a like aggregate principal amount of definitive Debt Securities of the same series of authorized denominations and of like tenor as the portion of such Global Debt Securities to be exchanged as shall be specified by the beneficial owner thereof provided, however, that no such exchanges may occur for a period of 15 days immediately preceding the date notice is given identifying the serial numbers of the Debt Securities called for redemption; if a Registered Debt Security of any series is issued in exchange for any portion of a Global Debt Security after the close of business at the office or agency where such exchange occurs on (1) any Regular Record Date and before the opening of business at such office or agency on the relevant Interest Payment Date, or (2) any Special Record Date and before the opening of business at such office or agency on the related proposed date for payment of Defaulted Interest, interest or Defaulted Interest, as the case may be, will not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect to such Registered Debt Securities, but will be payable on such Interest Payment Date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such Global Debt Securities is payable in accordance with the provisions of this Indenture.

SECTION 306. MUTILATED, DESTROYED, LOST AND STOLEN DEBT SECURITIES.

If there is delivered to the Trustee any mutilated Debt Security and such security or indemnity as may be required by the Trustee to save the Trustee and the Company harmless, then the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Debt Security of the same series of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there is delivered to the Company and to the Trustee (i) evidence

to their satisfaction of the destruction, loss or theft of any Debt Security, and (ii) such security or indemnity as may be required by them to

16

save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Debt Security has been acquired by a bona fide purchaser, the Company shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Debt Security, a new Debt Security of the same series of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Debt Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Debt Security, pay such Debt Security.

Upon the issuance of any new Debt Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Debt Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Debt Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Debt Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Debt Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Debt Securities.

SECTION 307. PAYMENT OF INTEREST: INTEREST RIGHTS PRESERVED.

Interest on any Registered Debt Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall, if so provided in such Registered Debt Security, be paid to the person in whose name such Registered Debt security (or one or more Predecessor Debt Securities) is registered at the close of business on the Regular Record Date for such interest, unless interest is payable at Maturity, in which case interest shall be paid to the person entitled to receive payment of the principal of such Registered Debt Security at Maturity.

Any interest on any Registered Debt Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date for such Registered Debt Security (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election in each case as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the persons in whose names the Registered Debt Securities affected (or their respective predecessor Debt Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each such Registered Debt Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause (1) provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of such Registered Debt Securities at his address as it appears in the Debt Securities Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the special

Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names such Registered Debt Securities (or their respective predecessor Debt Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Registered Debt Securities affected may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause (2), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Debt Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Debt Security shall carry the rights to interest accrued and unpaid, (ii) to interest which may accrue, and (iii) to premium, if any which were carried by such other Debt Security.

SECTION 308. PERSONS DEEMED OWNERS.

Prior to due presentment of a Debt Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name such Debt Security is registered as the owner of such Debt Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 307) interest, if any, on such Debt Security and for all other purposes whatsoever, whether or not such Debt Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any Global Debt Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by a Depository or impair, as between a Depository and holders of beneficial interests in any Global Debt Security.

SECTION 309. CANCELLATION.

All Debt Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Debt Securities and Debt Securities surrendered directly to the Trustee for any such purpose shall be retained in the possession of the Trustee for cancellation in the case of redemption or reissuance upon subsequent exchanges. The Company may at any time deliver to the Trustee for cancellation any Debt Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Debt Securities so delivered shall be promptly canceled by the Trustee unless otherwise instructed by the Company. No Debt Securities shall be authenticated in lieu of or in exchange for any Debt Securities canceled as provided in this Section, except as expressly permitted by this Indenture. Upon written instructions of the Company, all canceled Debt Securities shall be destroyed by the Trustee and the Trustee shall deliver a certificate of such destruction to the Company.

SECTION 310. COMPUTATION OF INTEREST.

Except as otherwise specified as contemplated by Section 301 for Debt Securities of any series, interest on the Debt Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

ARTICLE FOUR

SATISFACTION AND DISCHARGE

SECTION 401. SATISFACTION AND DISCHARGE OF INDENTURE.

This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer, conversion or exchange of Debt Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(A) all Debt Securities theretofore authenticated and

delivered (other than (i) Debt Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306, and (ii) Debt Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003), have been delivered to the Trustee for cancellation; or

(B) all such Debt Securities not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) if redeemable at the option of the Company, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Debt Securities not theretofore delivered to the Trustee for cancellation, for principal of (and premium, if any) and interest, if any, to the date of such deposit (in the case of Debt Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be:

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Article Six, (ii) the obligations of the Trustee to any Authenticating Agent under Section 612, (iii) if money shall have been deposited with the Trustee pursuant to paragraph (B) of this Section, the rights, powers, protections, trusts, duties and indemnities of the Trustee hereunder, and (iv) the Company's obligations with respect to such Debt Securities under Sections 304, 305, 306, 1002, 1003, and 1006, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003, shall in each case survive.

SECTION 402. APPLICATION OF TRUST MONEY.

19

Subject to the provisions of the last paragraph of Section 1003, all money deposited with the Trustee pursuant to Section 401 shall be held in trust and applied by it, in accordance with the provisions of the Debt Securities and this Indenture, to the payment, either directly or through the Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest, if any, for whose payment such money has been deposited with the Trustee.

ARTICLE FIVE

REMEDIES

SECTION 501. EVENTS OF DEFAULT.

"Event of Default" wherever used herein with respect to Debt Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule, or regulation of any administrative or governmental body:

(1) default in the payment of any interest upon any Debt Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of (or premium, if any) on any Debt Security of that series when it becomes due and payable; or

(3) default in the deposit of any sinking fund payment when the same shall become due and payable by the terms of any Debt Security of that series; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has been expressly included in this Indenture solely for the benefit of a series of Debt Securities other than that series), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 10% in principal amount of the Outstanding Debt Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(5) a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator or other similar official shall take possession of the Company or any substantial part of its property without its consent, or the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Company in an involuntary case under the Federal Bankruptcy Code or any other applicable Federal or State law, or appointing a receiver, liquidator, custodian, assignee, trustee, sequestrator, conservator, or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such possession, decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the commencement by the Company of a voluntary case under the Federal Bankruptcy Code or any other applicable Federal or State law, or the consent by either of the foregoing to the entry of an order for relief in an involuntary case under any such law, or the consent by the Company to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by the Company of an assignment for the benefit of creditors; or

(7) any other Event of Default provided with respect to Debt Securities of that series.

20

SECTION 502. ACCELERATION OF MATURITY: RESCISSION AND ANNULMENT.

If an Event of Default occurs with respect to Debt Securities of any series and is continuing, then and in every such case the Trustee (upon obtaining knowledge of such Event of Default) or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of that series may declare the principal (or, if any Debt Securities are Original Issue Discount Securities such portion of the principal as may be specified in the terms hereof), of all the Debt Securities of that series, and the premium, if any, to be due and payable, immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal or specified portion thereof shall become immediately due and payable. If an Event of Default with respect to Debt Securities of any series set forth in Section 501 (6) of the Indenture occurs and is continuing, then in every such case all Outstanding Debt Securities of that series shall become immediately due and payable, without notice to the Company, at the principal amount thereof (or, if any of the Debt Securities of that series are Original Issue Discount Debt Securities, such portion of the principal as may be specified in the terms thereof) plus accrued interest to the date the Debt Securities of that series are paid, plus the premium, if any, on the Debt Securities of that series.

At any time after such a declaration of acceleration with respect to Debt Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Debt Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue installments of interest, if any, on all Debt Securities of that series,

(B) the principal of (and premium, if any, on) any

Debt Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates borne by or provided for in such Debt Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates borne by or provided for in such Debt Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Debt Securities of that series, other than the non-payment of the principal of Debt Securities of that series which has become due solely by such acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Upon receipt by the Trustee of any declaration of acceleration, or rescission and annulment thereof, with respect to Debt Securities of a series all or part of which is represented by a Global Debt Security, the Trustee shall establish a record date for determining Holders of outstanding Debt Securities of such series entitled to join in such declaration of acceleration, or rescission and annulment, as the case may be, which record date shall be at the close of business on the day the Trustee receives such declaration of acceleration, or rescission and annulment, as the case may be. The Holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such declaration of acceleration, or rescission and annulment, as the case may be, whether or not such Holders remain Holders after such record date; provided, that unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having been obtained prior to the day which is ninety (90) days after such record date, such

21

declaration of acceleration, or rescission and annulment, as the case may be, shall automatically without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90) day period, a new declaration of acceleration, or rescission or annulment thereof, as the case may be, that is identical to a declaration of acceleration, or rescission or annulment thereof, which has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 502.

SECTION 503. COLLECTION OF INDEBTEDNESS AND SUITS FOR ENFORCEMENT BY TRUSTEE.

The Company covenants that if

(1) default is made in the payment of any installment of interest on any Debt Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Debt Security at the Maturity thereof or in the deposit of any sinking fund payment, if any, when the same shall have become payable,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Debt Securities, the whole amount then due and payable on such Debt Securities for principal (and premium, if any) and interest, if any, with interest upon the overdue principal (and premium, if any) and, to the extent that payment of such interest is lawful, upon overdue installments of interest, at the rate or rates borne by or provided for in such Debt Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company upon the Debt Securities and collect the moneys adjudged or

decreed to be payable in the manner provided by law out of the property of the Company wherever situated.

If an Event of Default with respect to the Debt Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Debt Securities of that series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 504. TRUSTEE MAY FILE PROOFS OF CLAIM.

In case of the pendency of any receivership, conservatorship, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial or other proceeding relative to the Company upon the Debt Securities or the property of the Company or its creditors, the Trustee (irrespective of whether the principal of the Debt Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal, premium or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount of principal (and premium, if any) and interest, if any, owing and unpaid in respect of the Debt Securities and to file such other papers or

22

documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(2) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator or other similar official in any such judicial or other proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Debt Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 505. TRUSTEE MAY ENFORCE CLAIMS WITHOUT POSSESSION OF DEBT SECURITIES.

All rights of action and claims under this Indenture or any of the Debt Securities may be prosecuted and enforced by the Trustee without the possession of any of the Debt Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Debt Securities in respect of which such judgment has been recovered.

SECTION 506. APPLICATION OF MONEY COLLECTED.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, if any, upon presentation of the Debt Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid upon the Debt Securities for principal (and premium, if any) and interest, if any, in respect of which or for the benefit of which such money has been collected,

ratably, without preference or priority of any kind, according to the amounts due and payable on such Debt Securities for principal (and premium, if any) and interest, if any, respectively; and

THIRD: The balance, if any, to the Company or any other person or persons entitled thereto.

SECTION 507. LIMITATION ON SUITS.

No Holder of any Debt Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Debt Securities of that series;

23

(2) the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of that series have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Holders of a majority in principal amount of the Outstanding Debt Securities of that series;

it being understood and intended that no one or more holders of Debt Securities of any series shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Debt Securities of that series or of any other series, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt Securities of that series.

SECTION 508. UNCONDITIONAL RIGHT OF HOLDERS TO RECEIVE PRINCIPAL, PREMIUM AND INTEREST.

Notwithstanding any other provision in this Indenture, the Holder of any Debt Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 307) interest (including any additional interest provided for in an Officers Certificate or Supplemental Indenture referred to in Section 301 with respect to any Debt Securities of a series), if any, on such Debt Security on the respective Stated Maturities expressed in such Debt Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 509. RESTORATION OF RIGHTS AND REMEDIES.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then, subject to any determination in such proceeding, and in every such case the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510. RIGHTS AND REMEDIES CUMULATIVE.

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511. DELAY OR OMISSION NOT WAIVER.

To the extent permitted by law, no delay or omission of the Trustee or of any Holder of any Debt Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or

24

remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 512. CONTROL BY HOLDERS.

The Holders of a majority in principal amount of the Outstanding Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to Debt Securities of that series, provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to Holders of Debt Securities of that series, or any other series not taking part in such direction, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and

(4) such holder or Holders shall have provided to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request or direction.

Upon receipt by the Trustee of any purported direction with respect to Debt Securities of a series all or part of which is represented by a Global Debt Security, the Trustee shall establish a record date for determining Holders of Outstanding Debt Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The Holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain Holders after such record date; provided, that unless such majority in principal amount shall have been obtained prior to the day which is ninety (90) days after such record date, such direction shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such ninety (90) day period, a new direction identical to a direction which has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 512.

SECTION 513. WAIVER OF PAST DEFAULTS.

The Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of that series waive any past default hereunder with respect to that series and its consequences, except a default

(1) in the payment of the principal of (or premium, if any) or interest, if any, on any Debt Security of that series, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of that series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

25

SECTION 514. UNDERTAKING FOR COSTS.

All parties to this Indenture agree, and each Holder of any Debt Security by his acceptance thereof shall be deemed to have agreed, that any

court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit, other than the Trustee, of an undertaking to pay the costs of such suit, and that such court may in its discretion, assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, including the Trustee, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, or any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Debt Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on any Debt Security on or after the Stated Maturity expressed in such Debt Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 515. WAIVER OF STAY OR EXTENSION LAWS.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, nor or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the exercise of any power herein granted to the Trustee, but will suffer and permit the exercise of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

SECTION 601. CERTAIN DUTIES AND RESPONSIBILITIES.

(1) Except during the continuance of an Event of Default,

(a) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and, to the extent lawful, no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(b) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(2) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his or her own affairs.

(3) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

26

(a) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(b) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Debt Securities of any series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Debt Securities of that series; and

(c) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the

exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(4) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 602. NOTICE OF DEFAULTS.

Within 90 days after the occurrence of any Event of Default hereunder with respect to the Debt Securities of any series, the Trustee shall transmit in the manner specified under Section 106 to all Holders of Debt Securities of that series (including Holders identified in TIA Section 315(b)), notice of such Event of Default hereunder known to the Trustee, unless such Event of Default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest, if any, on any Debt Security of that series, or in the payment of any sinking fund payment with respect to Debt Securities of that series, the Trustee shall be protected in withholding such notice if the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of Debt Securities of that series; and provided further, that in the case of any Event of Default of the character specified in Section 501(4) with respect to Debt Securities of that series, no such notice to Holders shall be given until at least 60 days after the occurrence thereof.

SECTION 603. CERTAIN RIGHTS OF TRUSTEE.

Subject to the provisions of Section 601,

(1) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, Debt Security or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board of Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and an Opinion of Counsel;

27

(4) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, Debt Security or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(8) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

SECTION 604. NOT RESPONSIBLE FOR RECITALS OR ISSUANCE OF DEBT SECURITIES.

The recitals contained herein and in the Debt Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Debt Securities. The Trustee shall not be accountable for the use or application by the Company of the Debt Securities or the proceeds thereof.

SECTION 605. MAY HOLD DEBT SECURITIES.

The Trustee, any Paying Agent, the Debt Securities Registrar or any other agent of the Company or the Trustee, in its individual or any other capacity, may become the owner or pledgee of Debt Securities and may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Debt Securities Registrar or such other agent.

SECTION 606. MONEY HELD IN TRUST.

Money held by the Trustee in trust hereunder need not be segregated from other funds of the Trustee except to the extent required by law. Such amounts shall be invested by the Trustee solely at the written direction of the Company. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

SECTION 607. COMPENSATION, REIMBURSEMENT AND INDEMNITY.

The Company agrees:

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

28

(2) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except to the extent such expense, disbursement or advance may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee, its officers, directors, agents and employees for, and to hold them harmless against, any loss, liability or expense arising out of or in connection with the acceptance or administration of this trust, including liability which the Trustee, its officers, directors, agents and employees may incur as a result of failure to withhold, pay or report taxes and including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder, except in each case to the extent such loss, liability or expense may be attributable to their negligence or bad faith. The Trustee's rights under this Section 607 shall survive the resignation or removal of the Trustee, the redemption of the Debt Securities and the termination of this Indenture.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a lien prior to the Debt Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (and premium, if any) and interest, if any, on particular Debt Securities.

"Trustee," for purposes of this Section 607, includes any predecessor Trustee, provided that the negligence or bad faith of any Trustee shall not affect the rights under this Section 607 of any other Trustee.

SECTION 608. CORPORATE TRUSTEE REQUIRED: ELIGIBILITY.

There shall at all times be a Trustee hereunder which shall be a corporation or bank organized and doing business under the laws of the United States of America or of any State or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State authority. If such corporation or bank publishes reports of

condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation or bank shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

The Trustee shall at all times be subject to the conflict of interest provisions of TIA Section 310(b), including the optional provision of TIA Section 310(b)(9), permitted by the second sentence thereof. Furthermore, the conflict of interest provisions of TIA Section 310(b)(1) regarding conflicts arising between different indentures shall also apply to any conflicts arising between series of Debt Securities issued under this Indenture.

SECTION 609. RESIGNATION AND REMOVAL: APPOINTMENT OF SUCCESSOR.

(1) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 610.

(2) The Trustee may resign at any time with respect to the Debt Securities of one more series by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to that series.

29

(3) The Trustee may be removed at any time with respect to the Debt Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of that series, delivered to the Trustee and to the Company.

(4) If at any time:

(a) the Trustee shall cease to be eligible under Section 608 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(b) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee with respect to all Debt Securities, or (ii) subject to Section 514, any Holder who has been a bona fide Holder of a Debt Security of any series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to the Debt Securities of that series and the appointment of a successor Trustee.

(5) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Debt Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee with respect to the Debt Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Debt Securities of one or more or all of that or those series and that at any time there shall be only one Trustee with respect to the Debt Securities of any series). If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Debt Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of that series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to the Debt Securities of that series and supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Debt Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Debt Security of that series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of that series.

(6) The Company shall give notice of each resignation and each

removal of the Trustee with respect to the Debt Securities of any series and each appointment of a successor Trustee with respect to the Debt Securities of any series in the manner provided by Section 106. Each notice shall include the name of the Successor Trustee with respect to the Debt Securities of that series and the address of its Corporate Trust Office.

SECTION 610. ACCEPTANCE OF APPOINTMENT BY SUCCESSOR.

(1) In case of appointment hereunder of a successor Trustee with respect to all Debt Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and

30

shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 607.

(2) In case of the appointment hereunder of a successor Trustee with respect to the Debt Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Debt Securities of one or more series shall execute and deliver a Supplemental Indenture hereto wherein each successor Trustee shall accept such appointment and which (a) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect of the Debt Securities of that or those series to which the appointment of such successor Trustee relates, (b) if the retiring Trustee is not retiring with respect to all Debt Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (c) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such Supplemental Indenture shall constitute such Trustees as co-trustees of the same trust, that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and that no Trustee shall be responsible for any notice given to, or received by, or any act or failure to act on the part of any other Trustee hereunder, and upon the execution and delivery of such Supplemental Indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein, such retiring Trustee shall with respect to the Debt Securities of that or those series as to which the appointment of such successor Trustee relates have no further responsibility for the exercise of rights and powers or for the performance of the duties and obligations vested in the Trustee under this Indenture other than as hereinafter expressly set forth, and each such successor Trustee without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series as to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee, to the extent contemplated by such Supplemental Indenture, the property and money held by such retiring Trustee hereunder with respect to the Debt Securities of that or those series as to which the appointment of such successor Trustee relates.

(3) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (1) or (2) of this Section, as the case may be.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 611. MERGER, CONVERSION, CONSOLIDATION OR SUCCESSION TO BUSINESS.

Any corporation or bank into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or bank resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or bank succeeding to all or substantially

all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation or bank shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto other than Notice to the Company. In the event that the Company determines in good faith that the proposed successor Trustee is not acceptable to the Company, the Company shall give Notice of its determination to the proposed successor Trustee within fifteen (15) Business Days following receipt of Notice from the proposed successor Trustee, and such proposed successor Trustee shall be deemed to have resigned pursuant to Section 609 effective upon appointment and qualification of a successor Trustee acceptable to the Company. In case any Debt Securities shall have been authenticated, but not delivered, by the

31

Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Debt Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Debt Securities.

SECTION 612. APPOINTMENT OF AUTHENTICATING AGENT.

So long as any of the Debt Securities remain outstanding, there may be one or more Authenticating Agents appointed by the Trustee which shall be authorized to act on behalf and subject to the direction of the Trustee with respect to one or more series of Debt Securities to authenticate Debt Securities issued upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 306 and Debt Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication of Debt Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation or bank organized and doing business under the laws of the United States of America or of any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by Federal or State authorities. If such corporation or bank publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation or bank shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect hereinafter specified in this Section.

Any corporation or bank into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or bank resulting from any merger, conversion or consolidation to which an Authenticating Agent shall be a party, or any corporation or bank succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation or bank shall be otherwise qualified and eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such Authenticating Agent, but such Authenticating Agent shall give the Trustee written notice of any such merger, conversion, consolidation or succession.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent acceptable to the Company, in which case it shall give notice of such appointment to Holders as provided in Section 106. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the right, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent herein. No successor Authenticating Agent shall be appointed unless qualified and eligible under the provisions of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and the Trustee shall be entitled to be reimbursed for such payments.

SECTION 613. PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY.

The Trustee shall at all times be subject to the provisions of TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). Any Trustee who has resigned or been removed is subject to TIA Section 311(a) to the extent indicated.

SECTION 614. REPORTS BY TRUSTEE TO HOLDERS.

Within 60 days after May 15 of each year, commencing May 15, 1998, the Trustee shall transmit to Holders (including Holders identified in TIA Section 313(c)) in the manner provided by Section 106 a brief report that complies with the provisions of TIA Section 313(a) and dated as of such reporting date. The Trustee shall also comply with TIA Section 313 (b) (2).

A copy of each report at the time of its transmission to Holders shall be filed with the SEC and each stock exchange on which the Debt Securities are listed. The Company shall notify the Trustee when the Debt Securities are listed on any stock exchange.

SECTION 615. OTHER CAPACITIES.

SUPPLEMENTAL INDENTURES

SECTION 901. SUPPLEMENTAL INDENTURES WITHOUT CONSENT OF HOLDERS

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more Supplemental Indenture in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another corporation to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Debt Securities contained; or

(2) to add to the covenants of the Company, for the benefit of the Holders of all or any series of Debt Securities (and if such covenants are to be for the benefit of less than all series of Debt Securities, stating that such covenants are expressly being included solely for the benefit of that series) or to surrender any right or power herein conferred upon the Company; or

(3) to establish the form or terms of Debt Securities of any series as permitted by Sections 201 or 301, including any subordination provisions; or

(4) to cure any ambiguity, to correct or supplement any provision herein or in any Supplemental Indenture which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, provided such action pursuant to this clause (4) shall not adversely affect the interests of the Holders of Debt Securities of any series in any material respect; or

(5) to add to, delete from or revise the conditions, limitations and restrictions on the authorized amount, terms or purposes of issue, authentication and delivery of Debt Securities of one or more series, as herein set forth; or

SECTION 902. SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS.

With the consent of the Holders of not less than a majority in principal amount of the outstanding Debt Securities of each series affected by such Supplemental Indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into a Supplemental Indenture hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Debt Securities of that series under this Indenture; provided, however, that no such Supplemental Indenture shall, without the consent of the Holder of each Outstanding Debt Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Debt Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Debt

35

Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 502, or change the coin or currency in which, the principal of (or premium, if any, on) any Debt Security or the interest, if any, thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or modify the provisions of this Indenture with respect to the conversion or exchange of the Debt Securities into Common Stock or into Debt Securities of another series in a manner adverse to the Holders,

(3) modify any of the provisions of this Section or Section 513 or Section 1005, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Debt Security affected thereby.

A Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Debt Securities, or which modifies the rights of the Holders of Debt Securities of that series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Debt Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed Supplemental Indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903. EXECUTION OF SUPPLEMENTAL INDENTURES.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such Supplemental Indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 904. EFFECT OF SUPPLEMENTAL INDENTURES.

Upon the execution of any Supplemental Indenture under this Article, this Indenture shall be modified in accordance therewith, and such Supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder of Debt Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby. ARTICLE TEN

COVENANTS

SECTION 1001. PAYMENT OF PRINCIPAL, PREMIUM AND INTEREST.

The Company will duly and punctually pay the principal of (and premium, if any) and interest (including any additional interest provided for in an Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to any Debt Securities of a series), if any, or the Debt Securities in accordance with the terms of the Debt Securities and this Indenture.

SECTION 1002. MAINTENANCE OF OFFICE OR AGENCY.

The Company will maintain in the City of New York, an office or agency or offices or agencies where, unless otherwise set forth in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to any Debt Securities of a series, Debt Securities may be presented or surrendered for payment, Debt Securities may be surrendered for registration of transfer or exchange, and notices and demands to or upon the Company in respect of the Debt Securities and this Indenture may be served. The Company initially appoints First Chicago Trust Company of New York, as its agent for purposes of presentation or surrender of Debt Securities for payment, registration of transfer, exchange or conversion and for service of notices or demands to or upon it in respect of the Debt Securities and this Indenture. The Company will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Company shall fail to maintain such office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Corporate Trust Office of the Trustee its agent to receive all such presentations, surrenders, notices and demands.

In addition to such office or agency, the Company may from time to time designate one or more other offices or agencies where the Debt Securities of one or more series may be presented or surrendered for any or all of the purposes specified above in this Section and may constitute and appoint one or more Paying Agents for the payment of the Debt Securities of that or those series in one or more other cities, and may from time to time rescind such designations and appointments, as the Company may deem desirable or expedient, provided, however, that no such designation, appointment or rescission shall in any manner relieve the Company of its obligation to maintain such office and agency in the City of New York for the purposes above mentioned.

SECTION 1003. MONEY FOR DEBT SECURITY PAYMENTS TO BE HELD IN TRUST.

If the Company shall at any time act as its own Paying Agent with respect to any series of Debt Securities, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on any of the Debt Securities of that series, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Debt Securities, it will, prior to each due date of the principal of (and premium, if any) or interest, if any, on any Debt Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the persons entitled to such principal, premium or interest, and (unless such paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

37

The Company will cause each Paying Agent for any series of Debt Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on Debt Securities of that series in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any Event of Default by the Company in the making of any payment of principal (and premium, if any) or interest, if any, on the Debt Securities of that series; and

(3) at any time during the continuance of any such Event of Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable escheat laws, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest, if any, on any Debt Security of any series and remaining unclaimed for three years after such principal (and premium, if any) or interest, if any, has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Debt Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004. STATEMENT AS TO COMPLIANCE.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year, a written statement, which need not comply with Section 102, signed by the Chairman of the Board, a Vice Chairman, the President or a Vice President and by the Treasurer, an Assistant Treasurer, the Controller or an Assistant Controller of the Company, stating, as to each signer thereof, that

(1) a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision, and

(2) to the best of his knowledge, based on such review, (a) the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him and the nature and status thereof, and (b) no event has occurred and is continuing which is, or after notice or lapse of time or both would become, an Event of Default, or, if such an event has occurred and is continuing, specifying each such event known to him and the nature and status thereof.

38

SECTION 1005. WAIVER OF CERTAIN COVENANTS.

The Company may omit in any particular instance to comply with any covenant or condition set forth in Section 1004 with respect to the Debt Securities of any series, if before or after the time for such compliance the Holders of at least a majority in principal amount of the Debt Securities of that series at the time Outstanding shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

SECTION 1006. SEC REPORTS.

The Company shall file with the Trustee within 15 days after it files them with the SEC copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) which the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934. The Company shall also comply with the other provisions of TIA Section 314(a) concerning the filing and transmission of reports to the SEC, the Trustee and Holders.

SECTION 1007. LIMITATIONS ON DIVIDENDS, DISTRIBUTIONS AND ACQUISITIONS OF CAPITAL STOCK.

The Company will not declare or pay any dividends or make any distribution to holders of its capital stock (other than dividends or distributions payable in capital stock of the Company or other than as the Company determines is necessary to maintain its status as a REIT), or purchase, redeem or otherwise acquire or retire for value any of its capital stock or any warrants, rights or options (including any securities convertible into or exercisable for such capital stock but not including the Debt Securities) to purchase or acquire any shares of its capital stock or permit any Subsidiary to purchase, redeem or otherwise acquire or retire for value any of the Company's capital stock or any warrants, rights or options (including any securities convertible into or exercisable for such capital stock but not including the Debt Securities) to purchase or acquire any shares of the Company's capital stock if at the time of such action an Event of Default has occurred and is continuing or would exist immediately after giving effect to such action.

Notwithstanding the foregoing, the provisions of this Section 1007 will not prevent (i) the payment of any dividend within 60 days after the date of declaration when the payment would have complied with the foregoing provisions on the date of declaration; (ii) the retirement of any share of the Company's capital stock by exchange for, or out of the proceeds of the substantially concurrent sale (other than to a Subsidiary) of, other shares of its capital stock.

ARTICLE ELEVEN

REDEMPTION OF DEBT SECURITIES

SECTION 1101. RIGHT OF REDEMPTION.

Redemption of Debt Securities of any series at the option of the Company as permitted or required by the terms of such Debt Securities shall be made in accordance with the terms of such Debt Securities and this Article. The Debt Securities also shall be subject to redemption, in whole or from time to, time in part, at any time in order to protect the Company's status as a REIT, at the option of the Company at a redemption price equal to 100% of the principal amount, premium if any, plus accrued interest to the date of redemption.

SECTION 1102. ELECTION TO REDEEM: NOTICE TO TRUSTEE.

The election of the Company to redeem any Debt Securities pursuant to Section 1101 shall be evidenced by a Board Resolution. The Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and, in the case of any redemption at the election of the Company of less than all the Debt Securities of any series, of the principal amount of Debt Securities of that series to be redeemed.

SECTION 1103. SELECTION BY DEBT SECURITIES REGISTRAR OF DEBT SECURITIES TO BE REDEEMED.

If less than all the Debt Securities of any series with the same issue date and Stated Maturity are to be redeemed, the particular Debt Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Debt Securities Registrar, from the Outstanding Debt Securities of that series not previously called for redemption, by such method as specified in the Officers' Certificate or Supplemental Indenture referred to in Section 301 or, if not so specified, by such method as the Debt Securities Registrar shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to \$100,000 or a multiple of \$1,000 above \$100,000) of the principal of Debt Securities of that series of a denomination larger than \$100,000. The portions of the principal of Debt Securities of that series so selected for partial redemption shall be equal to the smallest authorized denomination of the Debt Securities of that series or a multiple of \$1,000 above \$100,000. The portion of the principal of any Debt Security not redeemed shall not be less than the smallest authorized denomination of the Debt Securities of that series.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Debt Securities shall relate, in the case of any Debt Security redeemed or to be redeemed only in part, to the portion of the principal of such Debt Security which has been or is to be redeemed.

SECTION 1104. NOTICE OF REDEMPTION.

Notice of redemption shall be given in the manner provided in Section 106 not less than 30 nor more than 60 days prior to the Redemption Date unless a shorter period is specified in the Debt Security of the series to be redeemed, to each Holder of Debt Securities to be redeemed, but failure to give such notice in the manner herein provided to the Holder of any Debt Securities designated for redemption as a whole or in part, or any defect in the notice to any such Holder, shall not affect the validity of the proceedings for the redemption of any other such Debt Securities or portion thereof.

Any notice that is mailed in the manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives the notice.

All notices of redemption shall state:

- (1) the Redemption Date;
- (2) the Redemption Price, premium, if any, and the amount of accrued interest, if any, to be paid;
- (3) if less than all the Outstanding Debt Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Debt Securities to be redeemed;

(4) in case any Debt Security is to be redeemed in part only, the notice which relates to such Debt Security shall state that on and after the Redemption Date, upon surrender of such Debt Security, the Holder will receive, without charge, a new Debt Security or Debt Securities of authorized denominations for the principal amount thereof remaining unredeemed;

(5) that on the Redemption Date the Redemption price and accrued interest, if any, will become due and payable upon each such Debt Security to be redeemed and, if applicable, that the interest thereon will cease to accrue on and after said date;

(6) the place or places where such Debt Securities are to be surrendered for payment of the Redemption Price and accrued interest, if any; and

(7) the conversion rights, if any, pertaining to such Debt Securities.

Notice of redemption of Debt Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name of and at the expense of the Company.

SECTION 1105. DEPOSIT OF REDEMPTION PRICE.

On or prior to each Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (unless the Redemption Date shall be an Interest Payment Date) accrued interest on, and premium, if any, all the Debt Securities or portions thereof which are to be redeemed on that date.

SECTION 1106. DEBT SECURITIES PAYABLE ON REDEMPTION DATE.

Notice of redemption having been given as aforesaid, the Debt Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Debt Securities shall cease to bear interest. Upon surrender of any such Debt Security for redemption in accordance with said notice, such Debt Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date; provided, however, that notwithstanding any other provision of this Indenture and unless otherwise specified in the Officers' Certificate or Supplemental Indenture referred to in Section 301 with respect to such Debt Security, installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable (but without interest thereon, unless the Company shall default in the payment thereof in which case the provisions of Section 307 shall apply) to the Holders of such Debt Securities or one or more Predecessor Debt Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 307.

If any Debt Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest, to the extent lawful, from the Redemption Date at the rate borne by the Debt Security.

SECTION 1107. DEBT SECURITIES REDEEMED IN PART.

Any Debt Security which is to be redeemed only in part shall be surrendered at the office or agency of the Company designated for that purpose pursuant to Section 1002 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Debt Security without service charge a

new Debt Security or Debt Securities of any authorized denomination of the same series as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Debt Security so surrendered. If a Global Debt Security is so surrendered, such new Debt Security so issued shall be a new Global Debt Security.

ARTICLE TWELVE

SINKING FUND

SECTION 1201. MANDATORY AND OPTIONAL SINKING FUND PAYMENTS.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Debt Securities of any series, except as otherwise permitted or required by any form of Debt Security of that series issued pursuant to this Indenture. The minimum amount of any sinking fund payment provided for by the terms of Debt Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of that minimum amount provided for by the terms of Debt Securities of that series is

herein referred to as an "optional sinking fund payment". If provided for by the terms of Debt Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 1202. Each sinking fund payment shall be applied to the redemption of Debt Securities of any series as provided for by the terms of Debt Securities of that series.

SECTION 1202. SATISFACTION OF SINKING FUND PAYMENTS WITH DEBT SECURITIES.

The Company may, in satisfaction of all or any part of any sinking fund payment with respect to the Debt Securities of any series to be made pursuant to the terms of such Debt Securities as provided for by the terms of that series (1) deliver Outstanding Debt Securities of that series (other than any of such Debt Securities previously called for redemption or any of such Debt Securities in respect of which cash shall have been released to the Company), (2) apply as a credit Debt Securities of that series which have been redeemed either at the election of the Company pursuant to the terms of that series of Debt Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Debt Securities, provided that such series of Debt Securities have not been previously so credited and (3) apply as a credit Debt Securities of that series which have been converted or exchanged into Common Stock or Debt Securities of another series pursuant to the terms of that series of Debt Securities, provided that such series of Debt Securities have not been previously so credited. Such Debt Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Debt Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly. If as a result of the delivery or credit of Debt Securities of any series in lieu of cash payments pursuant to this Section, the principal amount of Debt Securities of that series to be redeemed in order to exhaust the aforesaid cash payment shall be less than \$100,000, the Trustee need not call Debt Securities of that series for redemption, except upon Company Request, and such cash payment shall be held by the Trustee or a Paying Agent and applied to the next succeeding sinking fund payment, provided, however, that the Trustee or such Paying Agent shall at the request of the Company from time to time pay over and deliver to the Company any cash payment so being held by the Trustee or such Paying Agent upon delivery by the Company to the Trustee of Debt Securities of that series purchased by the Company having an unpaid principal amount equal to the cash payment requested to be released to the Company.

SECTION 1203. REDEMPTION OF DEBT SECURITIES FOR SINKING FUNDS.

Not less than 60 days prior to each sinking fund payment date for any series of Debt Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing mandatory sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting of

Debt Securities of that series pursuant to Section 1202, and the optional amount, if any, to be added in cash to the next ensuing mandatory sinking fund payment, and will also deliver to the Trustee any Debt Securities to be so credited and not theretofore delivered. If such Officers' Certificate shall specify an optional amount to be added in cash to the next ensuing mandatory sinking fund payment, the Company shall thereupon be obligated to pay the amount therein specified. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Debt Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 1103 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 1104. Such notice having been duly given, the redemption of such Debt Securities shall be made upon the terms and in the manner stated in Section 1106 and 1107.

ARTICLE THIRTEEN

CONVERSION OF DEBT SECURITIES

SECTION 1301. CONVERSION PRIVILEGE.

Conversion of Debt Securities of any series into Common Stock of the Company as permitted by the terms of such Debt Securities shall be made in accordance with the terms of such Debt Securities and this Article. "Common Stock" used herein in Article Thirteen means the Common Stock of the Company on the date the Debt Securities of such series are issued. Notwithstanding the foregoing, and in order to protect the Company's status as a REIT, a Holder may not convert any Debt Security; and any such Debt Security shall not be convertible by any Holder, if as a result of such conversion any person would then be deemed to beneficially own directly or indirectly, 9.9% or more of

Common Stock. Except as otherwise set forth herein, the Trustee shall have no duties or responsibilities in respect of the conversion privilege or of any matter relating thereto, including without limitation and determination of the conversion price of any adjustment thereto. The Trustee shall have no duty, responsibility or liability in connection with the observation or enforcement of the aforementioned restriction on transfer or the consequences of such restriction or the correction of any such breach or violation.

SECTION 1302. EXERCISE OF CONVERSION PRIVILEGE.

In order to exercise the conversion privilege, the Holder of any Debt Security of any series to be converted shall surrender such Debt Security, duly endorsed or assigned to the Company or in blank, at any office or agency of the Company maintained for that purpose, accompanied by written notice to the Company at such office or agency that the Holder elects to convert such Debt Security or, if less than the entire principal amount thereof is to be converted, the portion thereof to be converted Debt Securities surrendered for conversion during the period from the close of business on any Regular Record Date for the payment of interest on the Debt Securities of that series to the opening of business on the Interest Payment Date for such interest shall (except in the case of Debt Securities of that series or portions thereof which have been called for redemption on a Redemption Date within such period) be accompanied by payment of an amount equal to the interest payable on such Interest Payment Date on the principal amount of Debt Securities being surrendered for conversion. Except as provided in the preceding sentence, no payment or adjustment shall be made upon any conversion on account of any interest accrued on the Debt Securities of that series surrendered for conversion or on account of any dividends on the Common Stock issued upon conversion.

Debt Securities of any series shall be deemed to have been converted immediately prior to the close of business on the day of surrender of such Debt Security for conversion in accordance with the foregoing provisions, and at such time the rights of the Holder of such Debt Security as Holder shall cease, and the Person or Persons entitled to receive the Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such Common Stock at such time. As promptly as practicable on or after the conversion date, the Company shall issue and shall deliver at said office or agency a certificate or certificates for

43

the number of full shares of Common Stock issuable upon conversion, together with payment in lieu of any fraction of a share, as provided in Section 1303.

In the case of any Debt Security which is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Debt Security or Debt Securities of authorized denominations in aggregate principal amount equal to the unconverted portion of the principal amount of such Debt Security.

SECTION 1303. FRACTIONS OF SHARES.

No fractional shares of Common Stock shall be issued upon conversion of Debt Securities. If more than one Debt Security shall be surrendered for conversion at one time by the same Holder, the number of full shares which shall be issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of the Debt Securities (or specified portions thereof) so surrendered. Instead of any fractional share of Common Stock which would otherwise be issuable upon conversion of any Debt Security or Debt Securities (or specified portions thereof), the Company shall pay a cash adjustment in respect of such fraction in an amount equal to the same fraction of the closing price per share of Common Stock on the day of conversion. The closing price shall be the reported last sale price of the Common Stock on the New York Stock Exchange -Composite Transactions or, in case no such reported sale takes place on such day, the average of the reported closing bid and asked prices regular way on the New York Stock Exchange, or if the common stock is not listed or admitted to trading on such Exchange, on the principal national exchange on which the Common Stock is listed or admitted to trading or, if not listed or admitted to trading on any national securities exchange, the average of the closing bid and asked prices as furnished by any New York Stock Exchange member firm selected from time to time by the Company for that purpose.

SECTION 1304. ADJUSTMENTS OF CONVERSION PRICE.

(1) In the case the Company shall pay or make a dividend or other distribution on any class of capital stock of the Company in Common Stock after the issuance of a Debt Security entitled to exercise the conversion privilege, the conversion price of such Debt Security in effect at the opening of business on the day following the date fixed for the determination of

stockholders entitled to receive such dividend or other distribution shall be reduced by multiplying such conversion price by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (1), the number of shares of common Stock at any time outstanding shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

(2) In case the Company shall issue, after the issuance of a Debt Security entitled to the conversion privilege, rights or warrants to all holders of its Common Stock entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the current market price per share (determined as provided in paragraph (6) of this Section) of the Common Stock on the date fixed for the determination of stockholders entitled to receive such rights or warrants, the conversion price for such Debt Security in effect at the opening of business on the day following the date fixed for such determination shall be reduced by multiplying such conversion price by a fraction of which the numerator shall be the number of shares of common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such current market price and the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination; provided,

44

however, that if all the shares of Common Stock offered for subscription or purchase are not subscribed for or purchased, upon the expiration of such rights or warrants the conversion price shall be immediately readjusted to what would have been the conversion price had the above-referenced fraction been calculated with reference to the actual number of shares of Common Stock subscribed for or purchased rather than the number of shares of Common Stock offered for subscription or purchase. For the purposes of this paragraph (2), the number of shares of Common Stock at any time outstanding shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. For purposes of this paragraph (2), the granting of the right to purchase shares of Common stock pursuant to any shareholder rights plan, any dividend or interest reinvestment plan and/or any Common Stock purchase plan providing for the reinvestment of dividends or interest payable on securities of the Company and/or the investment of periodic optional payments at a price per share of not less than 95 percent of the current market price per share (determined as provided in such plans) of the Common Stock (so long as such right to purchase is in no case evidenced by the delivery of rights or warrants) shall be deemed not to constitute an issue of rights or warrants by the Company within the meaning of this paragraph (2).

(3) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock after the issuance of a Debt Security entitled to the conversion privilege, the conversion price for such Debt Security in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately reduced, and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the conversion price of such Debt Security in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective.

(4) In case the Company shall, after the issuance of a Debt Security entitled to the conversion privilege, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness or assets (including securities, but excluding any dividend or distribution referred to in paragraph (1) of this Section, any rights or warrants referred to in paragraph (2) of this section and any dividend or distribution paid in cash out of the consolidated earnings or retained earnings of the Company), the conversion price of such Debt Security shall be adjusted so that the same shall equal the price determined by multiplying the conversion price in effect immediately prior to the close of business on the date fixed for the determination of stockholders entitled to receive such distribution by a fraction of which the numerator shall be the current market price per share (determined as provided in paragraph (6) of this Section) of the Common Stock on the date fixed for such determination less the then fair market value (as

determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution filed with the Trustee) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock and the denominator shall be such current market price per share of the Common Stock, such adjustment to become effective immediately prior to the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such distribution.

(5) The reclassification (including any reclassification upon a consolidation or merger in which the Company is the continuing corporation) of Common Stock into securities including other than Common Stock shall be deemed to involve (a) a distribution of such securities other than Common Stock to all holders of Common Stock (and the effective date of such reclassification shall be deemed to be "the date fixed for the determination of stockholders entitled to receive such distribution" and "the date fixed for such determination" within the meaning of paragraph (4) of this section), and (b) a subdivision or combination, as the case may be, of the number of shares of Common Stock outstanding immediately prior to such reclassification into the number of shares of Common Stock outstanding immediately thereafter (and the effective date of such reclassification shall be deemed to be "the day upon which such subdivision becomes effective" or "the day upon which such combination becomes effective", as the case may be, and "the day upon which such subdivision or combination becomes effective" within the meaning of paragraph (3) of this Section).

45

(6) For the purpose of any computation under paragraphs (2) and (4) of this Section, the current market price per share of Common Stock on any date shall be deemed to be the average of the daily closing prices for the 15 consecutive Business Days selected by the Company commencing not less than 20 nor more than 30 Business Days before the day in question. The closing price for each day shall be determined in the manner set forth in Section 1303.

(7) The Company may from time to time reduce, in addition to those required by paragraphs (1), (2), (3) and (4) of this Section, the conversion price of Debt Securities of any series by any amount for any period if the period is at least 20 days and if the reduction is irrevocable during the period.

(8) Notwithstanding the provisions of this Article, the conversion price per share shall not be reduced to less than the par value thereof as a result of any adjustment made hereunder.

(9) No adjustment in the conversion price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustment which by reason of this paragraph (9) is not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Article Thirteen shall be made to the nearest cent or the nearest one-hundredth of a share, as the case may be.

SECTION 1305. NOTICE OF ADJUSTMENTS OF CONVERSION PRICE.

Whenever the conversion price of any Debt Security is adjusted as herein provided:

(1) the Company shall compute the adjusted conversion price in accordance with Section 1304 and shall prepare an Officers' Certificate setting forth the adjusted conversion price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed at each office or agency maintained for the purpose of conversion of Debt Securities.

(2) a notice stating that the conversion price has been adjusted and setting forth the adjusted conversion price shall be mailed by the Company to the Holders of Debt Securities for which the conversion price has been adjusted as herein provided.

SECTION 1306. NOTICE OF CERTAIN CORPORATE ACTION.

In case:

(1) the Company shall declare a dividend (or any other distribution) on its Common Stock payable otherwise than in cash out of its consolidated earnings or retained earnings; or

(2) the Company shall authorize the granting to all the holders of its Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any other rights (other than a dividend or distribution payable in cash out of

the consolidated earnings or retained earnings of the Company); or

(3) of any reclassification of the Common Stock of the Company (other than a subdivision or combination of its outstanding shares of Common Stock); or

(4) of the voluntary or involuntary dissolution liquidation or winding up of the Company;

then the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of Debt Securities, and shall cause to be mailed to the Holders of Debt Securities entitled to the conversion privilege as herein provided, at least 20 days (or 10 days in any case specified in clause (a) or (b) above) prior to the

46

applicable record date hereinafter specified, a notice stating (a) the date on which a record is to be taken for the purpose of such dividend, distribution, rights or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, rights or warrants are to be determined, or (y) the date on which such reclassification, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, dissolution, liquidation or winding up.

SECTION 1307. TAXES ON CONVERSION.

The Company will pay any and all taxes that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Debt Securities pursuant hereto. The Company shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the Holder of the Debt Security or Debt Securities to be converted, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Company the amount of any such tax, or has established to the satisfaction of the Company that such tax has been paid.

ARTICLE FOURTEEN

RESTRICTIONS ON TRANSFER

SECTION 1401. RESTRICTIONS ON TRANSFER.

Any transfer of Debt Securities that, if effective, would result in any Person becoming the Beneficial Owner of more than 9.9% of the outstanding stock of the Company shall be deemed void ab initio, and the intended transferee shall be deemed never to have had an interest therein. The Trustee shall have no duty, responsibility or liability in connection with the observation or enforcement of the aforementioned restriction on transfer or the consequences of such restriction or the correction of any such breach or violation.

ARTICLE FIFTEEN

DEFEASANCE AND COVENANT DEFEASANCE

SECTION 1501. APPLICABILITY OF ARTICLE: COMPANY'S OPTION TO EFFECT DEFEASANCE OR COVENANT DEFEASANCE.

If, pursuant to Section 301, provision is made for either or both of (a) defeasance of the Debt Securities of or within a series under 1502 or (b) covenant defeasance of the Debt Securities of or within a series under Section 1503, then the provisions of such Section or Sections, as the case may be, together with the other provisions of this Article (with such modifications thereto as may be specified pursuant to Section 301 with respect to any Debt Securities), shall be applicable to such Debt Securities, and the Company may at its option by Board Resolution, at any time, with respect to such Debt Securities, elect to have Section 1502 (if applicable) or Section 1503 (if applicable) be applied to such Outstanding Debt Securities upon compliance with the conditions set forth below in this Article.

SECTION 1502. DEFEASANCE AND DISCHARGE.

Upon the Company's exercise of the above option applicable to this Section with respect to any Debt Securities of or within a series, the Company shall be deemed to have been discharged from its obligations with respect to such Outstanding Debt Securities on the date the conditions set forth in Section 1504 are satisfied (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Debt Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 1505 and the other Sections of this Indenture referred to in clauses (A) and (B) below, and to have satisfied all of its other obligations under such Debt Securities and this Indenture insofar as such Debt Securities are concerned (and the Trustee, at the expense of the Company, shall execute such appropriate instrument(s) acknowledging the same as the Company shall reasonably request), except for the following which shall survive until otherwise terminated or discharged hereunder: (A) the rights of Holders of such outstanding Debt Securities to receive, solely from the trust fund described in Section 1504 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any) and interest, if any, on such Debt Securities when such payments are due, (B) the Company's obligations with respect to such Debt Securities under Sections 305, 306, 1002 and 1003, and Article Thirteen (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (D) this Article. Subject to compliance with this Article Fifteen, the Company may exercise its option under this Section notwithstanding the prior exercise of its option under Section 1503 with respect to such Debt Securities.

SECTION 1503. COVENANT DEFEASANCE.

Upon the Company's exercise of the above option applicable to this Section with respect to any Debt Securities of or within a series, the Company shall be released from its obligations under Sections 1004, 1006 and 1007, and, if specified pursuant to Section 301, its obligations under any other covenant contained herein or in any indenture supplemental hereto, with respect to such Outstanding Debt Securities thereto on and after the date the conditions set forth in Section 1504 are satisfied (hereinafter, "covenant defeasance"), and such Debt Securities shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with Sections 1004, 1006 and 1007, inclusive, or such other covenant contained herein or in any indenture supplemental hereto, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to such Outstanding Debt Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section or such other covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or other covenant or by reason of reference in any such Section or such other covenant to any other provision herein and such omission to comply shall not constitute a default or an Event of Default under Section 501(4) or 501(7) or otherwise, as the case may be, but except as specified above, the remainder of this Indenture and such Debt Securities shall be unaffected thereby.

SECTION 1504. CONDITIONS TO DEFEASANCE OR COVENANT DEFEASANCE.

The following shall be the conditions to application of Section 1502 or Section 1503 to any Outstanding Debt Securities of or within a series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 608 who shall agree to comply with the provisions of this Article Fifteen applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Debt Securities, (1) an amount in such currency, currencies or currency unit in which such Debt Securities are then specified as payable at Stated Maturity, or (2) Government Obligations applicable to such Debt Securities (determined on the basis of the currency, currencies or currency unit in which such Debt Securities are then specified as payable at Stated Maturity) which through the scheduled payment of principal and interest in respect thereof in accordance

with their terms will provide, not later than the due date of any payment of principal of (and premium if any) and interest, if any, on such Debt Securities, money in an amount, or (3) a combination thereof, in any case, in an amount, sufficient, without consideration of any reinvestment of such

principal and interest, in the opinion of a nationally recognized firm of independent public accountants expressed in written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, (i) the principal of (and premium, if any) and interest, if any, on such Outstanding Debt Securities on the Stated Maturity of such principal or installment of principal or interest and (ii) any mandatory sinking fund payments or analogous payments applicable to such Outstanding Debt Securities on the day on which such payments are due and payable in accordance with the terms of this Indenture and of such Debt Securities.

(b) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound.

(c) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to such Debt Securities shall have occurred and be continuing on the date of such deposit or, insofar as Sections 501(5) and 501(6) are concerned, at any time during the period ending on the 91st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period).

(d) In the case of an election under Section 1502, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of this Indenture, there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of such Outstanding Debt Securities will not recognize income, gain or loss for Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred.

(e) In the case of an election under Section 1503, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Outstanding Debt Securities will not recognize income, gain or loss for Federal income tax purposes as a result of such covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(f) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance under Section 1502 or the covenant defeasance under Section 1503 (as the case may be) have been complied with and an Opinion of Counsel to the effect that either (i) as a result of a deposit pursuant to subsection (a) above and the related exercise of the Company's option under Section 1502 or Section 1503 (as the case may be), registration is not required under the Investment Company Act of 1940, as amended, by the Company, with respect to the trust funds representing such deposit or by the Trustee for such trust funds or (ii) all necessary registrations under said Act have been effected.

(g) Notwithstanding any other provisions of this Section, such defeasance or covenant defeasance shall be effected in compliance with any additional or substitute terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 301.

SECTION 1505. DEPOSITED MONEY AND GOVERNMENT OBLIGATIONS TO BE HELD IN TRUST; OTHER MISCELLANEOUS PROVISIONS.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations (or other property as may be provided pursuant to Section 301) (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 1505, the "Trustee") pursuant to

Section 1504 in respect of any Outstanding Debt Securities of any series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Debt Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Debt Securities of all sums due and to become due thereon in respect of principal (and premium, if any) and interest, but such money need not be segregated from other funds except to the extent required by law.

Unless otherwise specified with respect to any Debt Security pursuant to Section 301, if, after a deposit referred to in Section 1504(A) has been

made, (a) the Holder of a Debt Security in respect of which such deposit was made is entitled to, and does, elect pursuant to Section 301 or the terms of such Debt Security to receive payment in a currency or currency unit other than that in which the deposit pursuant to Section 1504(A) has been made in respect of such Debt Security, or (b) a Conversion Event occurs in respect of the currency or currency unit in which the deposit pursuant to Section 1504(A) has been made, the indebtedness represented by such Debt Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium if any), interest, if any, on such Security as the same becomes due out of the proceeds yielded by converting (from time to time as specified below in the case of any such election) the amount of other property deposited in respect of such Security into the currency or currency unit in which such Debt Security becomes payable as a result of such election or Conversion Event based on the applicable market exchange rate for such currency or currency unit in effect on the second Business Day prior to each payment date, except, with respect to a Conversion Event, for such currency or currency unit in effect (as nearly as feasible) at the time of the Conversion Event.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to Section 1504 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of such Outstanding Debt Securities.

Anything in this Article to the contrary notwithstanding, subject to Section 607, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or Government Obligations (or other property and any proceeds therefrom) held by it as provided in Section 1504 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect a defeasance or covenant defeasance, as applicable, in accordance with this Article.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and attested, all as of the day and year first above written.

Re: \$200,000,000 AGGREGATE OFFERING PRICE OF SECURITIES
OF OMEGA HEALTHCARE INVESTORS, INC.

Gentlemen:

At your request, we have examined the Registration Statement on Form S-3 (the "Registration Statement") to be filed by Omega Healthcare Investors, Inc. (the "Company") with the Securities and Exchange Commission on or about August 29, 1997 in connection with the registration of \$200,000,000 aggregate offering price of securities (the "Securities"), consisting of (i) shares of its common stock, par value \$.10 per share (the "Common Stock"); (ii) shares of its preferred stock, par value \$1.00 per share (the "Preferred Stock"); (iii) its unsecured senior debt securities (the "Debt Securities"); or (iv) warrants to purchase Common Stock (the "Common Stock Warrants"), warrants to purchase Debt Securities (the "Debt Securities Warrants"), and warrants to purchase Preferred Stock (the "Preferred Stock Warrants"), on terms to be determined at the time of offering. The Common Stock Warrants, the Debt Securities Warrants and the Preferred Stock Warrants shall be referred to herein collectively as the "Securities Warrants."

We also have examined the Indenture, dated as of August 27, 1997, between the Company and NBD Bank, as Trustee, relating to the Debt Securities (the "Indenture"). We are familiar with the proceedings heretofore taken and proposed to be taken by the Company in connection with the authorization, registration, issuance and sale of the Securities.

Subject to the (i) proposed additional proceedings as now contemplated by us as your counsel prior to the issuance and sale of the Securities; (ii) the effectiveness of the Registration Statement under the Securities Act of 1933, as amended; (iii) the establishment of the terms of the Debt Securities in accordance with the terms of the Indenture; (iv) the establishment of the terms of the Preferred Stock, if applicable, in accordance with the terms of the Company's Articles of Incorporation and applicable law; (v) the due authorization, execution and delivery of a Warrant Agreement (in the case of Securities Warrants); and (vi) the execution, delivery and authentication of and payment for the Securities, it is our opinion that:

1. The Common Stock, including any Common Stock that may be issuable pursuant to the conversion of any Debt Securities, or Preferred Stock or upon exercise of any Common Stock Warrants, will, upon the issuance and sale thereof in the manner specified in the Registration Statement, be validly issued, fully paid and nonassessable.
2. The Preferred Stock, including any Preferred Stock that may be issued upon the exercise of any Preferred Stock Warrants, will, upon the issuance and sale thereof in the manner referred to in the Registration Statement, be validly issued, fully paid and nonassessable.
3. The Debt Securities, including any Debt Securities that may be issued upon the exercise of any Debt Securities Warrants, will, upon the issuance and sale thereof in the manner referred to in the Registration Statement, constitute legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, and except that we advise you that the enforceability of the Debt Securities is subject to the effect of general principles of equity including, without limitations, concepts of materiality, reasonableness, good faith and fair

dealing and the possible unavailability of specific performance or injunctive relief regardless of whether considered in a proceeding in equity or at law.

4. The Securities will, upon the issuance and sale thereof in the manner specified in the Registration Statement, be validly issued, fully paid and nonassessable.

We consent to the filing of this opinion as an exhibit to the Registration Statement.

RE: TAX OPINION RE: \$200,000,000 AGGREGATE OFFERING
PRICE OF SECURITIES OF OMEGA HEALTHCARE INVESTORS, INC.

Gentlemen:

In connection with the registration statement on Form S-3, (the "Registration Statement") to be filed by Omega Healthcare Investors, Inc. with the Securities and Exchange Commission on or about August 29, 1997, regarding the registration of the Securities under the Securities Act of 1933, as amended, you have requested our opinion concerning whether the Company has been organized in conformity with the requirements for qualification as a real estate investment trust, and whether its proposed method of operation will enable it to meet the requirements for qualification and taxation as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the "Code").

The opinion is based on various facts and assumptions. We have also been furnished with, and have relied upon, representations made by the Company with respect to certain factual matters through a certificate of an officer of the Company.

Based on such facts, assumptions and representations, it is our opinion that the Company has been organized in conformity with the requirements for qualification as a real estate investment trust under the Code, and its proposed method of operation will enable it to meet the requirements for qualification and taxation as a real estate investment trust under the Code. No opinion is expressed as to any matter not expressly addressed herein.

This opinion is based on various statutory provisions, regulations promulgated thereunder and interpretations thereof by the Internal Revenue Service and courts having jurisdiction over such matters, all of which are subject to change either prospectively or

retroactively. Also, any variation or difference in the facts from those set forth in the officer's certificate furnished to us may affect the conclusions stated herein. Moreover, the Company's qualification and taxation as a real estate investment trust depends upon the Company's ability to meet, through actual annual operating results, distribution levels and diversity of stock ownership, the various qualification tests imposed under the Code, the results of which have not and will not be reviewed by Argue Pearson Harbison & Myers, LLP. Accordingly, no assurance can be given that the actual results of the Company's operation for any one taxable year will satisfy such requirements.

This opinion is furnished to you solely for your use in connection with the Registration Statement. We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the use of our name under the caption "Legal Matters" in the Registration Statement.

Very truly yours,
